Guided tour to the archival exhibition “The UNFCCC Story”

In its short life, the UNFCCC process has made remarkable history and it must continue to do so in the face of the urgent climate challenge. The Gallery exists to record that history and recognize the achievements of all those who have been part of the 30 years of climate negotiations. The archival exhibition “The UNFCCC Story” in AH Building (at AH Entrance H-107 at UN Campus) presents the history of intergovernmental climate change negotiations and the role of the UN Climate Change secretariat through original documents, artefacts, rare photographs and video. The exhibition is open to all participants in the SB session.

Four guided tours to the Gallery are offered during the SB session on:

Thursday, 9 June at 17.00 hrs;

Saturday, 11 June at 11.00 hrs;

Monday, 13 June, at 13.00 hrs;

Wednesday, 15 June, at 16.00 hrs.

Interested participants are kindly asked to contact the Records Management Team at rm-team@unfccc.int to register for the tour. Besides the five scheduled dates, additional guided tour may be arranged upon request. In this case, a special request to the Records Management Team at rm-team@unfccc.int is needed.

Complimentary concert tickets from UN Climate Change Goodwill Ambassador

As part of its Friday concert series, the Beethoven Orchestra Bonn under the baton of General Music Director Dirk Kaftan, will present a programme featuring significant works composed for the alphorn (a wind instrument used in the Swiss Alps).

The concert will take place on Friday, 10 June 2022 beginning at 20.00 hrs in the Bonn Opera House, Am Boeselagerhof 1, 53111 Bonn.

The highlight of the programme will be "Eine Alpensinfonie op. 64" by Richard Strauss. One of the greatest and most beautiful symphonic poems by Strauss tells the story of a hike in the mountains: from the ascent to the peace and happiness on the summit to the descent in a thunderstorm.

The orchestra is offering a limited number of free tickets to SB 56 participants. These will be distributed in the lower foyer of the WCCB (where the self-test kits are distributed) today Thursday, 9 June as of 12.00 hrs. Only one ticket per person will be distributed on a first-come, first-served basis.

Designated UN Climate Change Goodwill Ambassador in 2021, the Beethoven Orchestra Bonn is one of the top musical ensembles in Germany and has been conducted by renowned international figures. Made up of more than 100 musicians including 20 different nationalities, the orchestra has a wide musical repertoire and has won several awards for its educational concert projects and its recordings of operas and symphonic works.

Further information about the Orchestra can be found [here](#).
