In its short life, the UNFCCC process has made remarkable history and it must continue to do so in the face of the urgent climate challenge. The Gallery exists to record that history and recognize the achievements of all those who have been part of the 30 years of climate negotiations. The archival exhibition "The UNFCCC Story" in AH Building (at AH Entrance H-107 at UN Campus) presents the history of intergovernmental climate change negotiations and the role of the UN Climate Change secretariat through original documents, artefacts, rare photographs and video. The exhibition is open to all participants in the SB session.

Three guided tours to the Gallery are offered during the SB session on:

Saturday, 11 June at 11.00 hrs;

Monday, 13 June, at 13.00 hrs;

Wednesday, 15 June, at 16.00 hrs.

Interested participants are kindly asked to contact the Records Management Team at rm-team@unfccc.int to register for the tour. Besides the five scheduled dates, additional guided tour may be arranged upon request. In this case, a special request to the Records Management Team at rm-team@unfccc.int is needed.
