Incoming COP 27 Presidency's Booth at the WCCB

The Incoming Presidency would like to draw the attention of delegations to its booth located in the WCCB main lobby where information on the logistical arrangements for the conference in Sharm El Sheikh, including hotel bookings, is available.

UNFCCC Archives Booth

The UNFCCC secretariat opened the Archives Booth in the WCCB main lobby during the SB session. The purpose of the booth is for participants to experience the COP memorabilia, the video clips of historic moments at COP sessions and the photographs of delegates at previous COP sessions from the UNFCCC archival collection.

UNFCCC Archives contains a large collection on the climate change negotiation process as well as the work of its secretariat dating back from INC times in early 90s, including physical paper files, audio-visual recordings, photographs and digital born materials. The secretariat is currently undertaking a project to preserve this unique legacy of the climate change process and to make this valuable information resource available online for Parties and climate researchers to consult.

We count on your support to safeguard the archives of UNFCCC and to ensure its availability, accessibility and usability for the climate change community of today and in future. Please come by to visit the booth from 9.30 to 18.00 hrs during the SB session.

Guided tour to the archival exhibition "The UNFCCC Story"

In its short life, the UNFCCC process has made remarkable history and it must continue to do so in the face of the urgent climate challenge. The Gallery exists to record that history and recognize the achievements of all those who have been part of the 30 years of climate negotiations. The archival exhibition "The UNFCCC Story" in AH Building (at AH Entrance H-107 at UN Campus) presents the history of intergovernmental climate change negotiations and the role of the UN Climate Change secretariat through original documents, artefacts, rare photographs and video. The exhibition is open to all participants in the SB session.

Two guided tours to the Gallery will be offered during the SB session on:

Wednesday, 15 June, at 16.00 hrs;

Wednesday, 15 June, at 18.00 hrs.

Interested participants are kindly asked to contact the Records Management Team at rm-team@unfccc.int to register for the tour. Besides the two scheduled dates, additional guided tour may be arranged upon request. In this case, a special request to the Records Management Team at rm-team@unfccc.int is needed.
