UNFCCC Archives Booth

Please visit the UNFCCC Archives booth which is open in the WCCB main lobby throughout the SB session. At the booth you will have an opportunity to search online for early UNFCCC archives, including browsing through our Intergovernmental Negotiating Committee collection. You will enjoy seeing memorabilia from early COPs; and, from our archives, we will show video clips of historic moments at COP sessions and photographs of delegates at earlier COP sessions.

Dating back to INC in the early 1990s, UNFCCC archives' extensive collections have grown to be a world-leading resource on climate change negotiation processes and the business activities and legacy of the UNFCCC. The archives comprise physical paper files, audio-visual recordings, photographs and digital born materials. A secretariat project is now underway to preserve these invaluable records and to unlock access and provide our archives at your fingertips through an online portal.

Your interest and support will help safeguard the archives of UNFCCC and ensure the availability, accessibility and usability of this dynamic information asset for today's climate change community and for future generations. We look forward to meeting you at the archives booth; we are open every day from 9.30 to 18.00 hrs. during the SB session and you can find us in the WCCB main lobby.

Guided tour to UNFCCC Story Gallery - A History of Climate Change Negotiations

In its short life, the UNFCCC process has made remarkable history and it must continue to do so in the face of the urgent climate challenge. The UNFCCC Story Gallery exists to record that history and recognize the achievements of all those who have been part of the 30 years of climate negotiations. The UNFCCC Story Gallery in AHH Building (at AH Entrance H-107 at UN Campus) presents the history of intergovernmental climate change negotiations and the role of the UN Climate Change Secretariat through original documents, artefacts, rare photographs and video. The Gallery is open to all participants in the SB session.

Three guided tours to the UNFCCC Story Gallery are offered during the SB session on:

Thursday, 8 June at 14.00 hrs

Tuesday, 13 June at 12.00 hrs

Wednesday, 14 June at 17.00 hrs

Interested participants are kindly asked to contact the Records Management Team at rm-team@unfccc.int to register for the tour. Besides the four scheduled dates, additional guided tour may be arranged upon request. In this case, a special request to the Records Management Team at rm-team@unfccc.int is needed.
