Announcements

Entering the Blue Zone

Over 110,000 participants have registered for COP 28. This may mean delays getting into the venue at peak times. Please arrive early to ensure enough time for security clearance.

Zero tolerance towards harassment

The UNFCCC secretariat and the COP 28 organizers will apply a zero-tolerance approach to any form of harassment, including sexual harassment, and will deal with such complaints promptly.

We encourage reporting of any incident either directly to any badged UN Department of Safety and Security (UNDSS) officer or by calling the United Nations Security Control Centre, which is open 24 hours a day, at +971 543 059 098 (mobile). You may also report an incident to SpeakUp@unfccc.int at any time.

Click [here](#) for further information on the Code of Conduct for UNFCCC conferences, meetings and events, which is available in English, Arabic, Chinese, French, Russian and Spanish. A learning video on the Code of Conduct can be accessed [here](#).

Survey on the Quality of Conference Services at UNFCCC Sessions

The UNFCCC, in collaboration with the Government of the United Arab Emirates as host country, is committed to providing high-quality conference services that fulfil the demands and requirements of UNFCCC sessions. To help determine the extent to which the secretariat is able to respond to participant needs and to further improve the quality of our conference services, we have launched a survey on operational aspects of COP 28.

Please find the online survey available through [this](#) link and the QR code below:

The survey should take approximately 10 minutes to complete and will be available online until 12 January 2024.

We appreciate your feedback!

Audio and video recordings

Please note that making audio and video recordings during open or closed official meetings is **not** permitted to any delegate. The secretariat provides full audio and video recordings for all official open plenary meetings in audio format and webcasts them. All webcast recordings are available on the [UNFCCC website](#).

Submission of credentials

Parties are reminded that the credentials of representatives of Parties, as well as the names of alternate representatives and advisers, shall be submitted to the secretariat no later than 24 hours after the opening of COP 28/CMP 18/CMA 5.

Parties are reminded that in accordance with decisions 17/CP.9, 36/CMP.1 and 2/CMA.1, only one set of credentials is necessary to cover the participation of Parties in COP 28, CMP 18 and CMA 5.

Duly signed original credentials, should be submitted in one of the six official languages of the United Nations to the Distribution Desk Counter in Service Hub South at the Conference venue. To ensure proper handling

and delivery to the repository, no other office or authority of the secretariat or the host country has been designated to receive credentials.

Call for major climate action announcements: Global Climate Action

The secretariat is tracking major climate action announcements made at COP 28 – including the launch of initiatives and declarations and the reporting of progress information on existing initiatives and declarations. The announcements will be featured on the COP 28 Event page of the UNFCCC's [Global Climate Action Portal](#) and will help inform the global climate action outcomes at COP 28. You can notify us of your announcements using this [form](#).

UNFCCC Archives Booth

Open every day from 09.00 to 18.00 hrs. until 10 December 2023, the booth is located in the UNFCCC Pavilion in Building 24 (B2 zone). Come enjoy the opportunity to search online through early UNFCCC archives, browse through our Intergovernmental Negotiating Committee collection and see memorabilia from early COPs. Join us on a walk-through memory lane as you watch video clips of historic moments at COP sessions and photographs of delegates at earlier COP sessions.

Dating back to INC in the early 1990s, the UNFCCC archive collections is now a world-leading resource on climate change negotiation processes and the business activities and legacy of the UNFCCC. The archives comprise of a plethora of paper files, audio-visual recordings, photographs, and digital materials. Did you know that a secretariat project is now underway to preserve these invaluable records and modernize them through an online portal? Visit us to find out more!

Your interest and support will help safeguard the archives and ensure the availability, accessibility, and usability of this dynamic information asset for today's climate change community and for future generations. We look forward to welcoming you.
