Announcements

Access to negotiation rooms by observer organizations and GCA badge holders

Further to the notification sent on 31 October “Ensuring transparent and inclusive access to negotiation rooms by all Parties and, where applicable, observers in compliance with COVID-19 measures”, and the announcement in Daily Programme of 2 November “Ticket system for NGO and GCA badge holders”, this is to inform all NGO and GCA badge holders that the access restriction due to the World Leaders Summit is lifted as of 3 November 2021.

In order to ensure compliance with the COVID-related measures, and based on the measure which consists on the participation of only one delegate per Party for each meeting room, the secretariat requests all United Nations and intergovernmental organizations to also apply the principle of one representative per organization when entering a negotiation room. For NGO participants, every effort will be made to ensure at least 9 seats provided they are not occupied by Parties.

Global Climate Action badge holders are not able to access negotiation rooms in view of the fact that they are not representing organizations admitted by the COP as observer organizations in the UNFCCC process.

We thank you for your kind understanding and cooperation.

Audio and video recordings

Please note that audio and video recordings by Party or observer organization delegations during open and closed official meetings is **not** permitted. The secretariat provides full audio and video recordings for all official open plenary meetings in audio format and webcast on the Internet. All webcast recordings are available on the [UNFCCC's website](#).

The Green Zone

Please consult the [COP 26 Host Country website](#) for any information on the [Green Zone](#).

COP 26 Hygiene kit and travel passes

All conference participants are invited to retrieve their COP 26 Hygiene kit and travel passes at the Information Desk in Zone B. They will be distributed daily from 08.00 to 19.00 hrs. With the reusable water bottle also offered, participants can freely get water from all water dispensers on the conference venue.

Reusable Cups

Hot drinks at COP 26 are served in reusable cups. The cups are both reusable and recyclable. We are encouraging participants to deposit their used cups including lids at drop points throughout the venue so that they can be collected, washed, and reused again and again.
