## Announcements

### Access to negotiation rooms by observer organizations and GCA badge holders

Further to the notification sent on 31 October “Ensuring transparent and inclusive access to negotiation rooms by all Parties and, where applicable, observers in compliance with COVID-19 measures”, and the announcement in Daily Programme of 2 November “Ticket system for NGO and GCA badge holders”, this is to inform all NGO and GCA badge holders that the access restriction due to the World Leaders Summit is lifted as of 3 November 2021.

In order to ensure compliance with the COVID-related measures, and based on the measure which consists on the participation of only one delegate per Party for each meeting room, the secretariat requests all United Nations and intergovernmental organizations to also apply the principle of one representative per organization when entering a negotiation room. For NGO participants, every effort will be made to ensure at least 9 seats provided they are not occupied by Parties.

Global Climate Action badge holders are not able to access negotiation rooms in view of the fact that they are not representing organizations admitted by the COP as observer organizations in the UNFCCC process.

We thank you for your kind understanding and cooperation.
