United Nations Climate Change Conference
COP 27, CMP 17, CMA 4
Sharm el-Sheikh, 6 - 18 November 2022

Daily Programme

Opening of the Resumed high-level segment

The official opening of the resumed high-level segment of COP 27/CMP 17/CMA 4, will take place today, Tuesday, 15 November 2022 in **Plenary Nefertiti**, starting at 10.00 hrs.

Participants are asked to take their seats in Plenary Nefertiti by 09.45 hrs. to ensure that the opening can begin promptly.

The opening will be presided over by His Excellency Mr. Sameh Shoukry, President of COP 27/CMP 17/CMA 4 and will be attended by His Excellency Mr. Csaba Kőrösi, President of the 77th session of the United Nations General Assembly and Mr. Simon Stiell, UNFCCC Executive Secretary.

The conference will hear national statements from Vice Presidents, Deputy Prime Ministers, Ministers and senior officials of Parties whose Head of State or Government did not deliver a national statement during the first part of the high-level segment held on 7 and 8 November 2022. Statements will also be delivered on behalf of Groups.

The resumed high-level segment will continue on Wednesday, 16 November and will hear statements by Intergovernmental and non-Governmental organizations admitted by the Conference of the Parties.

No tickets are needed to access to Plenary Nefertiti for the opening of the resumed high-level segment and to hear delivery of statements is open to all Parties.

Please be advised that security and fire regulations do not permit participants to stand and security will enforce this requirement.

The proceedings can be followed on [webcast](#) and on the TV screens throughout the Conference Center.

Given the number of Parties and the limited time available for statements, it will be necessary to limit the duration of each statement. Representatives of Parties are reminded that national statements should not exceed the three-minute limit. Representatives of groups are reminded that group statements should not exceed the five-minute limit and observer speakers are reminded that statements should not exceed the two-minute limit. To be fair to all speakers, time limits will be strictly enforced. **An electronic/mechanical device will be used to mark the 3 minutes allotted to each speaker.** This will allow all speakers to deliver their statements.

UNFCCC Archives and History Exhibition

Please visit the first UNFCCC COP Archives and History Exhibition which is open in the Exhibits Area in Area B, section 7, throughout COP 27. At the booth you will have an opportunity to search online for early UNFCCC archives, including browsing through our Intergovernmental Negotiating Committee collection. You will enjoy seeing memorabilia from early COPs; and, from our archives, we will show video clips of historic moments at COP sessions and photographs of delegates at earlier COP sessions.

Dating back to INC in the early 1990s, UNFCCC archives' extensive collections have grown to be a world-leading resource on climate change negotiation processes and the work and legacy of the UNFCCC. The archives comprise physical paper files, audiovisual recordings, photographs and digital born materials. A secretariat project is now underway to preserve these invaluable records and to unlock access and provide our archives at your fingertips through an online portal.

Meet our booth partner, [Arts Help](#), and learn about the largest digital arts publisher which believes art is a vehicle for social change. Help us create our own beautiful, clean, collaborative digital artwork, a [clean tree](#) – an NFT created on an eco-friendly blockchain using Proof-of-Stake technology to validate transactions.

Your interest and support will help safeguard the archives of UNFCCC and ensure the availability, accessibility and usability of this dynamic information asset for today's climate change community and for future generations. We look forward to meeting you at the archives exhibition booth. We are open every day from 9.30 – 18.00 hrs. during the COP and you can find us in the Exhibits Area in Area B, section 7.
