Pre-2020 round table on implementation and ambition
Draft Agenda

30 November 2020 (17.00-19.00 CET)

Co-chairs: Julio Cordano, Chile and Archie Young, UK

17.00-17.10	Opening and welcome remarks (COP Presidency and incoming COP Presidency)
Time slot 1: Sharing evidence on progress towards implementation and ambition	
17.10–19.00 Framing presentations on progress towards implementation and ambition	- Pre-2020 implementation and ambition: a perspective from science (Jim Skea, Co-chair of WGIII of IPCC) - Pre-2020 commitments and emissions and the adaptation gap: the UNEP Gap Reports (Anne Olhoff, UNEP) - Adaptation ambition and implementation in pre-2020 (Gebru Jember Endalew, Global Green Growth Institute) - Adaptation ambition and implementation in pre-2020 (Maarten van Aalst, International Federation of Red Cross) Q&A - Means of Implementation ambition and implementation in pre-2020 (Stephen Hammer, World Bank) - Means of Implementation ambition and implementation in pre-2020 (Elizabeth Press, IRENA) - Pre-2020 implementation and ambition: a perspective from non-Party stakeholders (Gonzalo Muñoz and Nigel Topping, High Level Champions for Climate Action) - An overview of the work on implementation and ambition across pre-2020 (UNFCCC secretariat) Q&A

1 December 2020 (16.30-18.30 CET)
Co-chairs: Julio Cordano, Chile and Archie Young, UK

16.30-16.35	Brief summary of day 1 (COP Presidency, incoming COP Presidency)
Time slot 2: Sharing lessons-learned on how to advance on implementation and ambition	
16:35-16:55 Ice-breaker interventions	Perspectives on how lessons learned from the pre-2020 period can be taken forward
16:55-18:30 General discussion	All participants (Parties and non-Parties stakeholders), guided by the following questions: - What are the successes and lessons learnt from pre-2020 actions and implementation (e.g., sharing of policies, measures and effectiveness in implementing mitigation, adaptation, and support)? - How can these be used as we look forward to post-2020 climate action?
