

# The Executive Committee of the Warsaw International Mechanism for Loss and Damage associated with Climate Change Impacts

*Theme 2: Assess the overall aggregated effect of the steps taken by Parties in order to achieve the LTGG in the light of the ultimate objective of the Convention*

*26-27 November 2020*

## Linkages with Long-Term Global Goal

---

- Long Term Global Goal will have significant implications vis-à-vis achieving our collective climate change ambitions
- Warsaw International Mechanism and its Executive Committee established at COP 19
- Enhancing cooperation and facilitation for implementing approaches to averting, minimizing and addressing loss and damage associated with climate change impacts, in particular in relation to slow onset event; non-economic losses, comprehensive risk management, human mobility, and action & support

- Work of the Executive Committee and its technical expert groups contribute to enhancing understanding of emerging climate-related risks
  - Task Force on Displacement and the Technical Expert Group on Comprehensive Risk Management previously established
  - In progress: launching of expert groups on slow onset events, non-economic losses and action and support
- The best available science should inform approaches to averting, minimizing and addressing loss and damage associated with climate change impacts
