# LOCAL COMMUNITIES AND INDIGENOUS PEOPLES PLATFORM

COP 21 established the Local Communities and Indigenous Peoples Platform (LCIPP) for the exchange of experiences and sharing of best practices on mitigation and adaptation in a holistic and integrated manner.

*(Decision 1/CP.21)*

# Agriculture, Food Systems, and Food Security – Knowledge and Practices of Indigenous Peoples and local communities

## Pacific youth: Reefs of Hope

Conservation of marine ecosystems through restoration of coral reefs by planting resilient corals to combat coral bleaching and sustain vital ecosystems supporting fishing and food security

## Taloc People of the Philippines: practice *takkombang*

Traditional water management practice developed to address water scarcity and rice shortages by adjusting the agricultural calendar to rotate water supply among farmers. After a typhoon, the community collectively repairs rice fields and their irrigation system.

## Karen People of Northern Thailand: soil classification system

Knowledge and beliefs passed down generations of soils, water, wind, fire, agriculture, and natural resource management help identify areas at risk of erosion to adapt to climate change and mitigate disaster risks to strengthen land in vulnerable areas.

# The Baku Workplan of the Local Communities and Indigenous Peoples Platform 2025–2027 – Adopted at COP 29

6 Collective Approaches used to organize the workplan consists of *activities to engage and promote an exchange, deliverables to elevate the rich exchange and outcomes that weave together concepts and terminologies that embody Indigenous Peoples' knowledge, values and worldviews, and by sharing the perspectives of local communities.*

1

Collective Approach 1:

Gathering of Knowledge Holders

2

Collective Approach 2:

Regional Engagement

3

Collective Approach 3:

Seventh-generation Round Table

4

Collective Approach 4:

Collaboration With Constituted Bodies and Under Workstreams of the UNFCCC

5

Collective Approach 5:

Enhanced Engagement with Parties

6

Collective Approach 6:

Overall Strategic Planning
