## Overview of workshop 8

There will be 6 main substantive sessions during this workshop:

- **Session 1:** Advancing the discussion on targets
  - Part 1: Streamlining specific targets around the adaptation cycle
  - Part 2: Streamlining overarching targets/priorities/political messages
  - Breakout groups, and reporting back

### **Session 2:** Enabling conditions or means of implementation

- The first dedicated session on this topic
- Plenary to provide the opportunity to share views in an open setting
- Breakout groups for further discussion

## Sessions 3 to 5 – Building the GGA framework

- How will different building blocks of the framework be included in the final outcome?

SESSION 3	SESSION 4	SESSION 5
Context	Specific Targets	MOI/enabling conditions
Purpose	Themes	International Cooperation / role of stakeholders
Principles	Dimensions	Follow up work/next steps
Overarching Targets/priorities/messages	GST
