# GGGI Service Offering

- 5 Guideline for assessing SDG alignment and co-benefits in NDC enhancement developed and disseminated

## Activities

- 5.1: Review of SDG alignment and co-benefits methods in LT-LEDS, NDCs, and NAPs, using the Green Growth Simulation (GGSim) Tool
- 5.2: Improve the pilot application of the GGSim's coupled system dynamics
- 5.3: Create an interactive website to illustrate the functionality of the GGSim's coupled system dynamics and network models
- 5.4: Collect expert feedback on the coupled models and the functionality of the interactive website to enhance GGSim's credibility as a tool for assessing SDG alignment and co-benefits
- 5.5: Prepare a guideline for applying the GGSim tool to assess SDG alignment and co-benefits in enhanced NDCs

# GGGI Service Offering

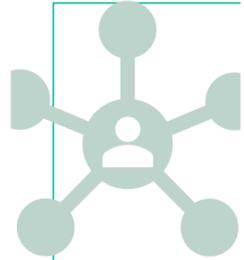

## □ 6 Guide for NDC - LTLEDS Alignment

### Activities

- 6.1: Feedback/consultation from selected potential users/ governments
- 6.2: Engagement with strategic partners and potential donors
- 6.3: Further development and finalization of concept note/ proposal

# GGGI Service Offering

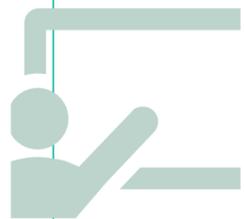

## Networking

- Identification of partner countries in priority sectors

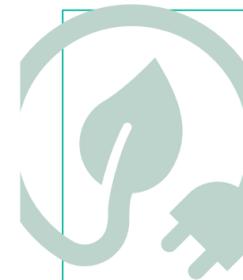

## Knowledge sharing

- International trends
- Platform for benchmarking

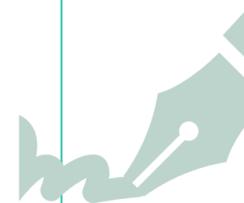

## Capacity building

- Advancement of national MRV System and NDC revisions
- Training program

## Green ODA

- Opportunities with Member/ Partner countries

## Cooperation MOU

# Expected Next Steps

## Global Dialogue and Support Mobilization

- In March, GGGI participated in a global dialogue to enhance coordination on NDC support.
- Emphasis on the importance of clear communication and accessible information regarding NDC enhancement and implementation processes.

## Consultation and Collaboration

- Initiatives to start consultations with countries to understand NDC support needs.
- GGGI's commitment to internal consultations with governments to tailor support for NDC enhancement, specifically targeting Zambia, Ethiopia, Qatar, Lao PDR, Mexico, and Pakistan.

## Resources and Tools for NDC Enhancement

- NDC Partnership's commitment to track requests for support and channel them through the Partnership Action Fund (PAF).
- UNFCCC providing comprehensive guidance on the NDC process.
