

## DRAFT TEXT

on

### SBI 62 agenda sub-item 3(b)

## Reporting from and review of Parties included in Annex I to the Convention Reports on national greenhouse gas inventory data

Version 20/6/2025 11:00

---

### Draft conclusions proposed by the Chair

#### Option 1:

1. The Subsidiary Body for Implementation (SBI) welcomed the reports prepared by the secretariat on national greenhouse gas (GHG) inventory data for 1990–2021 and for 1990–2022 respectively<sup>1</sup> and took note of the information therein.

#### Option 2:

1. The Subsidiary Body for Implementation (SBI) welcomed the reports prepared by the secretariat on national greenhouse gas (GHG) inventory data for 1990–2021 and for 1990–2022 respectively<sup>2</sup> and took note of the information therein.

2. The SBI noted that, between 1990 and 2022, total aggregate GHG emissions without and with land use, land-use change and forestry decreased by 19.5 and 26.1 per cent respectively for all Parties included in Annex I to the Convention (Annex I Parties); by 44.6 and 64.0 per cent respectively for Annex I Parties with economies in transition; and by 8.8 and 10.7 per cent respectively for Annex I Parties that do not have economies in transition.<sup>3</sup>

3. The SBI expressed concern that some Annex I Parties have not yet submitted their annual GHG inventory in 2025.<sup>4</sup>
