SBI 63 agenda item 18 Gender and climate change

Version 12/11/2025 14:00

[

1. The Subsidiary Body for Implementation (SBI) continued developing the new gender action plan at this session taking into account the inputs to and outcome of the review of the enhanced Lima work programme on gender and its gender action plan in 2024,¹ discussions at the in-session technical workshop to facilitate the design of gender action plan activities² held at its sixty-second session³ and discussions at a hybrid technical workshop on the same topic held in Addis Ababa from 5 to 6 September 2025 during the second Climate Week of that year.⁴
2. The SBI welcomed with appreciation the delivery of the highly interactive and inclusive hybrid workshop referred to in paragraph 1 above, which was organized by the SBI Chair with the support of the secretariat.
3. The SBI expressed appreciation to the Parties and observers who supported the organization of the workshop, in particular the Government of Ethiopia for hosting the event, the Government of Sweden for providing financial support, and United Nations agencies and international organizations for providing support to national gender and climate change focal points from developing countries to enable them to attend the workshop.
4. The SBI recommended a draft decision on this matter for consideration and adoption by the Conference of the Parties at its thirtieth session (for the text of the draft decision, see document FCCC/SBI/2025/L.X/Add.X).

Draft decision -/CP.30: gender action plan for 2026–2034

The Conference of the Parties,

Recalling decisions 36/CP.7, 1/CP.16, 23/CP.18, 18/CP.20, 1/CP.21, 21/CP.22, 3/CP.23, 3/CP.25, 20/CP.26, 24/CP.27, 15/CP.28 and 7/CP.29,

Recognizing that gender-responsive implementation and means of implementation of climate policy and action can enable Parties to raise ambition, as well as enhance gender equality, and just transition of the workforce and the creation of decent work and quality jobs in accordance with nationally defined development priorities,

1. *Welcomes* the synthesis report by the secretariat on progress in integrating a gender perspective into constituted body processes⁵ and *invites* the constituted bodies to consider the good practices identified therein regarding the integration of a gender perspective into their processes and reporting thereon⁶ and to include in their annual reports information on how they are improving the content and structure of their reporting in this area;
2. *Welcomes* the report by the secretariat on gender composition,⁷ which highlights the persistent lack of progress in and the urgent need for improving the representation of women in Party delegations and constituted bodies, and *notes with appreciation* the significant

⁷ FCCC/CP/2025/4.

progress towards more gender-balanced side event panels at UNFCCC sessions highlighted in a case study of the report;⁸

3. *Adopts* the nine-year gender action plan for 2026–2034 contained in the annex;
4. *Decides* that a review of the implementation of the above-mentioned gender action plan shall take place in conjunction with the review of the implementation of the enhanced Lima work programme on gender with the aim of assessing progress and identifying challenges and further work to be undertaken and *requests* the Subsidiary Body for Implementation to initiate the review at its seventieth session (June 2029) with a view to concluding the review at its seventy-first session (November 2029) and recommending a draft decision thereon for consideration and adoption by the Conference of the Parties at its thirty-fourth session (November 2029);
5. *Invites* Parties, United Nations entities, the constituted bodies and relevant organizations to submit, in accordance with their respective mandates and priorities, views on progress, challenges and further work to be undertaken in implementing the gender action plan via the submission portal⁹ by 23 February 2029 with a view to the submissions informing the review referred to in paragraph 5 above;
6. *Requests* the secretariat to prepare a template that Parties and observers may use to prepare their submissions referred to in paragraph 6 above; prepare and publish a synthesis report on the submissions in advance of the seventieth session of the Subsidiary Body for Implementation; and hold at that session a workshop to discuss the synthesis report;
7. *Takes note* of the estimated budgetary implications of the activities to be undertaken by the secretariat referred to in paragraphs [X] above and the annex;
8. *Requests* that the actions of the secretariat called for in this decision and its annex be undertaken subject to the availability of financial resources.

**SBI 63 agenda item 18
Gender and climate change**

Version 12/11/2025 14:00

This informal note has been prepared by the co-facilitators for this agenda item under their own responsibility. It is intended to assist Parties in advancing discussions on this matter and does not prejudge further work or prevent Parties from expressing any further views.

[Table 1

Priority area A: capacity-building, knowledge management and communication

<i>Activity</i>	<i>Responsibilities</i>	<i>Timeline</i>	<i>Deliverables/outputs</i>	<i>Level of implementation</i>
A.1 Strengthen institutional and individual capacity within governments [and other relevant stakeholder organizations and institutions] [for mainstreaming gender*] [<u>to ensure gender mainstreaming</u>] [in planning, implementing, monitoring, reporting and evaluating national climate change policies, plans, strategies and actions, as appropriate, as reported by Parties in regular reports and communications under the UNFCCC process[, as well as in national and sectoral plans] [, including as it relates to emerging issues]	Leading: Parties, relevant organizations Contributing: secretariat	Ongoing	Capacity building for national gender and climate change focal points, national focal points, and negotiators of all workstreams is provided, including through briefings, workshops, and training materials	Regional, national, international

Activity	Responsibilities	Timeline	Deliverables/outputs	Level of implementation
	Leading: Parties, relevant organizations Contributing: secretariat	Ongoing	Virtual or hybrid knowledge exchanges on gender and climate amongst and between different stakeholders focused on a specific climate related sector, thematic or emerging area	Regional, national, local
A.2 Strengthen the role and the work of the national gender and climate change focal points <u>[and establish an institutional framework for coordination and implementation of national gender action plans]</u>	Leading: secretariat Contributing: national gender and climate change focal points, relevant organizations, Parties	SB 66	In-session workshop on best practices and tools to strengthen the role of national gender and climate change focal points, including a reflection on and description of the role and activities of national gender and climate change focal points	International
	Leading: secretariat	Intersessionally, before COP 32 (2027)	Workshop report	International
	Leading: Parties	[Ongoing] <u>[SB 68]</u>	Develop a description of the role of national gender and climate change focal points	National
	Leading: Parties, relevant organizations, secretariat Contributing: national gender and climate change focal points	Ongoing, including during virtual informal networking meetings of NGCCFPs	Provision of capacity-building opportunities, tools and resources on skills for the role of national gender and climate change focal points and on gender and climate change [including sexual and reproductive health and rights, <u>health</u> , gender-based violence, care work, including through expert and Indigenous <u>and traditional</u> knowledge exchange] as well as complementary peer-to-peer learning, mentoring and coaching for national gender and climate change focal points.	Regional, national, international

**SBI 63 agenda item 18
Gender and climate change**

Version 12/11/2025 14:00

<i>Activity</i>	<i>Responsibilities</i>	<i>Timeline</i>	<i>Deliverables/outputs</i>	<i>Level of implementation</i>
A.3 Strengthen understanding of gender and climate change related terminology, frameworks and approaches, as well as the understanding of gender-responsive climate action in different sectoral, cultural and national contexts	Leading: Parties, national gender and climate change focal points, national focal points for Action for Climate Empowerment	Ongoing	Gender-responsive communication, public awareness strategies and other relevant action for climate empowerment elements are included in official climate planning and reporting processes	Regional and national
	Leading: Parties Contributing: relevant organizations	Ongoing and taking into account relevant milestones, reporting and communication cycles	Capacity-building programmes and national dialogues	National
	Leading: Parties, Contributing: relevant organizations, secretariat	Ongoing	Education and awareness campaigns	Regional and national
	Leading: Parties Contributing: secretariat	In conjunction with relevant regional events	Virtual or <u>hybrid</u> workshops to discuss gender and climate terminology] <u>[multidimensional factors and emerging issues]</u>	International and regional

<i>Activity</i>	<i>Responsibilities</i>	<i>Timeline</i>	<i>Deliverables/outputs</i>	<i>Level of implementation</i>
	Leading: Parties, national gender and climate change focal points, national focal points for Action for Climate Empowerment	Ongoing	Gender-responsive communication, public awareness strategies and other relevant action for climate empowerment elements are included in official climate planning and reporting processes	Regional and national
A.4 Enhance capacity-building for governments and other relevant stakeholders on collecting, analysing and applying [age- and gender-disaggregated data] [<u>sex-disaggregated data</u>] and gender analysis, reflecting multidimensional factors [<u>, including social, cultural, economic and environmental factors as applicable to national contexts</u>], in the context of climate change, where applicable, [<u>including racial discrimination as applicable and according to national context and legislation,</u>] [<u>to help shape gender-responsive policies</u>]	Leading: Parties, national statistical offices Contributing: relevant organizations, including the research community	Ongoing	Build, strengthen and maintain evidence-base on gender and climate change	Regional, national, and subnational
	Leading: relevant organizations	Ongoing	Consider existing tools, guidelines, studies and trainings, identify gaps and develop new ones on the basis of the identified gaps	International, regional, national, local
	Leading: relevant organizations	Ongoing	Promotion of existing and new tools, guidelines, studies, and trainings	Regional, national, local

Gender and climate change**

Version 12/11/2025 14:00

<i>Activity</i>	<i>Responsibilities</i>	<i>Timeline</i>	<i>Deliverables/outputs</i>	<i>Level of implementation</i>
	Contributing: Parties, national statistical offices			
A.5 Strengthen the evidence base for and understanding of the differentiated impacts of climate change and climate action on [men and] [women] <u>[people of all genders]</u> , <u>[especially Indigenous women and women from local communities, and their]</u> [the] role of women [and men] as agents of change and opportunities for women	Leading: Parties, relevant organizations, the research community Contributing: SBI and SBSTA with support from the secretariat	2027	Submissions on the evidence base including multidimensional factors as well as examples of engaging men and boys and examples of <u>gender-responsive</u> and gender-transformative climate actions, which transforms social and gender norms	International, regional, national
	Leading: secretariat	COP 32 (2027)	Synthesis report	International
	Leading: secretariat Contributing: relevant organizations	Intersessionally, between COP 32 (2027) and SB 68 (2028)	Workshop on the topic of the synthesis report	International
	Leading: secretariat	COP 31	High-level event on how Parties are engaging men and boys as agents of change for a socially just green transition	International

<i>Activity</i>	<i>Responsibilities</i>	<i>Timeline</i>	<i>Deliverables/outputs</i>	<i>Level of implementation</i>
A.6 Promote the use of traditional media, social media, web resources and innovative communication tools <u>[and education]</u> to effectively communicate [with Parties and the public][, especially women, youth and marginalized groups,] <u>[among others,]</u> <u>[in accordance with each country's national legislation]</u> [in particular by reaching out to women and girls and targeting communication to men and boys,] on the implementation of the enhanced Lima work programme on gender and its gender action plan and on gender-responsive climate action	Leading: Parties, secretariat, relevant organization, media, civil society organizations and women's groups	Ongoing	Production and delivery of tailored social and traditional media campaigns, websites, toolkits	International, regional, national, local
	Leading: media and relevant organizations Contributing: Parties, secretariat, researchers, communicators, technologists, national focal points for action for climate empowerment	Ongoing	Organize communication workshops to conduct communications-related research, explore and test strategies, tools, narrative framing and storytelling that also addresses misinformation and disinformation and promote media literacy on gender and climate	International, regional, national, local

**Informal note by the co-facilitators
on**

**SBI 63 agenda item 18
Gender and climate change**

Version 12/11/2025 14:00

<i>Activity</i>	<i>Responsibilities</i>	<i>Timeline</i>	<i>Deliverables/outputs</i>	<i>Level of implementation</i>
	Leading: Parties, relevant organizations, civil society organizations, women's groups, and media	Ongoing	Launch awareness campaigns and build digital platforms, that include grassroots actors in design and delivery	International, regional, national, local
	Leading: Parties, relevant organizations, civil society organizations and women's groups, and media	Ongoing	Capacity building programmes and communication tools tailored to the needs of grassroots women and community-based organizations	International, regional, national, local
	Leading: Parties, national gender and climate change focal points Contributing: secretariat	2029	Exchange experiences and best practices on communication	International
<u>A.7. Increase the knowledge of emerging issues such as sexual reproductive health and rights, gender-based violence and unpaid care work in the context of gender and climate change</u>	Leading: Parties and relevant organizations	Submissions by March 2027	Conduct national assessments on emerging issues in the context of gender and climate change for submission to the secretariat.	International and national

<i>Activity</i>	<i>Responsibilities</i>	<i>Timeline</i>	<i>Deliverables/outputs</i>	<i>Level of implementation</i>
	Leading: secretariat Contributing: Parties and relevant organizations	COP 32	Organize a dialogue on the findings of the national assessments	International
	Leading: Parties, relevant organizations	Ongoing	Workshops on emerging issues in gender and climate change	International, regional

Table 2

Priority area B: gender balance, participation and women's leadership

<i>Activity</i>	<i>Responsibilities</i>	<i>Timeline</i>	<i>Deliverables/outputs</i>	<i>Level of implementation</i>
B.1 Promote initiatives for capacity-building in leadership, negotiation and facilitation of negotiation for the elimination of barriers for and the promotion of the full, meaningful and [effective] [equal] participation of [all] women delegates, including young women, Indigenous women, women from local communities [migrant women, women environmental and human rights defenders] [,women smallholder farmers], across the UNFCCC process [and in the development of national climate policies, plans and programmes]	Leading: relevant organizations, secretariat, Parties Contributing: Relevant UN organizations	Ongoing particularly in inter-sessional periods	In-person and virtual workshops, capacity-building e and networking	International, regional, national, local
	Leading: relevant organizations	Ongoing	Mentorship programmes	International, regional, national, local
	Leading: relevant organizations	Ongoing	Events to promote the exchange of experience between women, including women's traditional and <u>Indigenous</u> knowledges and practices	International, regional, national, local
	Leading: secretariat Contributing: relevant organizations	Ongoing	Information on mentorship programmes and networks to be made accessible on websites hosted by the secretariat and those providing support	International [, <u>Regional</u>]

<i>Activity</i>	<i>Responsibilities</i>	<i>Timeline</i>	<i>Deliverables/outputs</i>	<i>Level of implementation</i>
B.3 [Improve] [Promote] [the equal participation of women in delegations at UNFCCC sessions, as well as] funds for supporting the participation of grass-roots local [communities,] and Indigenous Peoples from developing countries, the least developed countries and small island developing States, and encourage Parties and relevant organizations to share information on travel funding	Leading: Parties and relevant organizations	Ongoing	Increased representation of women in Party delegations, including through available funds for participation	National
	Leading: Parties Contributing: relevant organizations, secretariat	Ongoing	Mobilization of existing and additional travel funds to increase women's participation in the UNFCCC process	International, national
	Leading: Secretariat	Every four years, starting at COP 31 (2026)	Gender composition of Party delegates having received funding through the Trust Fund for Participation in the UNFCCC process for in-person participation in the United Nations Climate Change Conference is reported	International, national
B.4 Enhance participation and leadership of women and girls, including Indigenous women and girls, women and girls from local communities, women and girls of African descent [, and women environmental and human rights defenders] [<u>in decision making processes related to gender and climate change at all levels.</u>]	Leading: Parties and relevant organizations	Biennially in June, as of SB 64	Submissions on the topic for the annual dialogues	International
	Leading: secretariat, Parties Contributing: relevant organizations and constituencies	Annually at COP	Thematic dialogue on equal participation and leadership to scale-up gender-responsive solutions and innovations focusing on different UNFCCC workstreams, including the work of constituted bodies and UNFCCC work programmes	International
	Leading: Secretariat	Annually	Dialogue report and visual summary	International

on**

**SBI 63 agenda item 18
Gender and climate change**

Version 12/11/2025 14:00

<i>Activity</i>	<i>Responsibilities</i>	<i>Timeline</i>	<i>Deliverables/outputs</i>	<i>Level of implementation</i>
	Leading: relevant organizations	Following the thematic dialogue	Dissemination of knowledge products and tools on how to apply gender-responsive solutions and innovations identified in the dialogues	Regional, national
	Leading: Parties, relevant organizations	Ongoing	in-person and virtual workshops and learning opportunities to enhance leadership skills and participation of women and girls, targeted at specific groups.	International, regional, national and local
B.5 [Facilitate the] [Implement protocols to enable] full, meaningful and equal participation in UNFCCC conferences and events	Leading: Parties, relevant organizations	Intersessional period before SB 68	Submission to inform the development of a monitoring framework on the gender, care and accessibility-responsiveness of UNFCCC operations and event organizing	International
	Leading: secretariat Contributing: Parties, relevant organizations	Specific SB session SB 68 (June 2028)	Workshop to develop a monitoring framework on the gender, care, safeguard, and accessibility-responsiveness of UNFCCC operations and event organizing	International
	Leading: Presidency and hosts of UNFCCC conferences and events, secretariat	Biannually after SB 68 (June 2028)	Monitor the gender, care, safeguard, and accessibility-responsiveness of UNFCCC operations and event organizing, using the abovementioned monitoring framework; Report to the	International

Activity	Responsibilities	Timeline	Deliverables/outputs	Level of implementation
			governing bodies by the Executive Secretary, on the above.	
	Leading: Presidency and hosts of UNFCCC conferences and events, secretariat Contributing: Women and Gender Constituency	By end 2029 (to develop) Ongoing (implementation)	Produce and apply [protocols and] <u>[best practices]</u> guidelines on gender, care, safeguard and accessibility-responsive UNFCCC operations and event organizing.	International
	Leading: secretariat	During the COP, every 4 years	Report to the Governing Bodies by the Executive Secretary of the UNFCCC on how cases of harassment that are reported to the secretariat at UNFCCC conferences and events are addressed	International
B.6 Enhance safety, protection mechanisms and support for women environmental and human rights defenders, <u>[Indigenous women and girls, women and girls from local communities, women and girls of African descent and women organizations]</u> to exercise full, meaningful and equal participation in, and leadership and knowledge-sharing on, climate policies and action <u>[in national and international processes]</u>	Leading: other relevant organizations, e.g., OHCHR, <u>the secretariat of the Convention on Biological Diversity</u> , grassroots organizations	By March 2027	Workshops to understand challenges and barriers to WEHRDs' full, meaningful, and equal participation taking into account multidimensional factors	Regional
	Leading: OHCHR, UNCBD, other relevant organizations including grassroots organizations	By May 2027	Production of workshop reports and submission thereof to the UNFCCC	Regional

Gender and climate change**

Version 12/11/2025 14:00

<i>Activity</i>	<i>Responsibilities</i>	<i>Timeline</i>	<i>Deliverables/outputs</i>	<i>Level of implementation</i>
Lima work programme on gender and its gender action plan			and its gender action plan, in line with their mandates	
	Leading: Parties, relevant organizations, constituted bodies	Ongoing and taking into account relevant milestones, and reporting and communication cycles	Gender-related inputs are submitted to UNFCCC constituted body processes, including <i>inter alia</i> the Standing Committee on Finance, the New Collective Quantified Goal on climate finance, the global stocktake , and work on mitigation and adaptation	International
	Leading: constituted bodies, Parties	Ongoing	Constituted bodies ensure gender expertise among members, expert groups, and observers and include information on this in their regular reports	International
	Leading: Presidencies	Ongoing	Presidencies to ensure gender expertise in their team	International

<i>Activity</i>	<i>Responsibilities</i>	<i>Timeline</i>	<i>Deliverables/outputs</i>	<i>Level of implementation</i>
C.4 Strengthen the coordination between the work of the subsidiary bodies under [the Convention and [the] [its] Paris Agreement] [UNFCCC processes] and other relevant United Nations entities, particularly [the secretariat of the <u>Convention on Biological Diversity</u> and the secretariat of the <u>Convention to Combat Desertification</u>] [the <u>Intergovernmental Panel on Climate Change</u> and] under the 2030 Agenda for Sustainable Development, as applicable	Leading: secretariat Contributing: Gender focal points of the Rio Conventions, relevant gender experts, and relevant organizations, including financial institutions, IPCC	Each COP	In-session dialogue on Gender Day focused on thematic work streams relevant to promote coherence reflecting multidimensional factors	International
	Leading: secretariat [Contributing: representatives of the Rio Conventions, gender focal points to the conventions],	[Biannual, starting from COP 32] [COP32]	[Biannual] dialogue on best practices and examples of <u>gender mainstreaming</u> and synergies with the UNFCCC	International
C.5 Ensure systematic integration of gender considerations into policies, plans, strategies and actions, [as appropriate, as reported by Parties in regular reports and communications under the UNFCCC process and in national and sectoral plans] [including in national and sectoral plans as appropriate, and invites Parties to include such information in regular reports and communications under the UNFCCC process] [, as applicable]	Leading: Parties Contributing: relevant organization	Ongoing	Produce analyses and assessments to map key sectors and institutions that are critical to gender-responsive climate policy and action	National, subnational

**Informal note by the co-facilitators
on**

**SBI 63 agenda item 18
Gender and climate change**

Version 12/11/2025 14:00

<i>Activity</i>	<i>Responsibilities</i>	<i>Timeline</i>	<i>Deliverables/outputs</i>	<i>Level of implementation</i>
	Leading: secretariat, Parties Contributing: relevant organizations	Ongoing	Include information on the integration of gender in climate policies, plans, strategies and actions, as well as national and sectoral plans, including through gender analyses and assessments, in reports and communications under the UNFCCC process	International, national
	Leading: secretariat, Parties Contributing: relevant organizations	2028 2033	Regional virtual workshops to exchange information on lessons learned among Parties on gender integration into national climate policies, plans, strategies and action, as well as national and sectoral plans, as appropriate and on the actions that Parties are taking to mainstream gender in any updates thereto, as appropriate	Regional
	Leading: secretariat Contributing: relevant organization	After the first virtual workshop, in 2027	Development of <u>guidelines</u> for gender integration into UNFCCC policies, plans, strategies and action	International
C.6 Strengthen national and local level coherence on gender and climate change across the policy life cycle	Lead: Parties (ministries relevant to gender and climate and those responsible for relevant sectoral and national climate-related plans) Contributing: relevant organizations	Ongoing	Establish and foster national and subnational gender and climate change coordination and coherence mechanisms,	Regional, national, subnational, local

<i>Activity</i>	<i>Responsibilities</i>	<i>Timeline</i>	<i>Deliverables/outputs</i>	<i>Level of implementation</i>
			including identifying key decision makers	
	Leading: Parties	Ongoing	Information on main coordination and coherence mechanisms and how they are operationalized is included in reports and communications under the UNFCCC process	International, national
C.7 <u>[Identify and]</u> Strengthen [consistent inclusion of gender expertise] [gender champions] across national delegations to the UNFCCC and under the different UNFCCC workstreams	Leading: Parties Contributing: relevant organizations	Ongoing	Identification of key focal points within the delegation and establishment of a national network for consistent gender integration	National
	Leading: Parties	Submission by December 2026	Submission on national network for consistent gender integration	International
	Leading: Parties Contributing: relevant organizations	Ongoing	Capacity building on gender within the respective UNFCCC workstreams is provided including through briefings and workshops	National
C.8 Support the attendance of national gender and climate change focal points at relevant meetings	Leading: Parties, relevant organizations	Ongoing	Mobilization of travel funds for national gender and climate change focal points	National
	Leading: secretariat Contributing: Parties, relevant organizations	Ongoing	Support the attendance of national gender and climate change focal points at relevant mandated UNFCCC meetings, through the coordination of travel support provided to national gender and climate change focal points, upon request	International
