# Linkages and complementarities to support achieving the objectives of the GAP

- Global stocktake (GST)
- Nationally determined contributions (NDCs)
- Enhanced transparency framework, including the technical expert reviews conducted thereunder

Review collective action against goals and commit to further action

United Nations  
Climate Change

Enhanced Lima work programme on gender

#ActOnTheGAP

# Linkages within the UNFCCC process

## Constituted Bodies

- *SCF Forum 2024: “Accelerating climate action and resilience through gender-responsive financing”*
- The FWG of the LCIPP
  - Second three-year workplan – adopted in 2024
- Executive Committee of the WIM, potentially in cooperation with the Advisory Board of the Santiago network
  - Second five-year rolling workplan – 2023 - 2027
- Work on technology, including the Technology Executive Committee and the Climate Technology Centre and Network

United Nations  
Climate Change

Enhanced Lima work programme on gender

#ActOnTheGAP

# Linkages within the UNFCCC process

## Programmes and processes

- Work on climate finance, including the new collective quantified goal on climate finance
- Global Goal on Adaptation, including in the context of the UAE Framework for Global Resilience (adopted at COP 28)
- UAE-Belem work programme on indicators for measuring progress achieved towards the targets referred to in paragraphs 9-10 of decision 2/CMA.5
  - COP 30 (2025)
- UAE just transition work programme
  - COP 31 (2026)

United Nations  
Climate Change

Enhanced Lima work programme on gender

#ActOnTheGAP

# Linkages within the UNFCCC process

Programmes and processes cont.

- Sharm el-Sheikh mitigation ambition and implementation work programme
- Work on agriculture, including under the Sharm el-Sheikh joint work on implementation of climate action on agriculture and food security
- Work undertaken in line with the guiding principles on financing climate and health solutions, developed at COP 28
- Gender-Responsive Just Transitions and Climate Action Partnership

United Nations  
Climate Change

Enhanced Lima work programme on gender

#ActOnTheGAP

# Complementarities outside the UNFCCC process

- IPCC
- Convention on Biological Diversity
- Convention to Combat Desertification
- Sendai Framework for Disaster Risk Reduction
- Beijing Declaration and Platform for Action
- Commission on the Status of Women
- Committee on the Elimination of Discrimination Against Women
- 2030 Agenda for Sustainable Development

# Gender and the UNFCCC Timeline

United Nations  
Climate Change

Enhanced Lima work programme on gender

#ActOnTheGAP

# Stakeholders...

... mentioned in the work programme

Parties, constituted bodies, relevant public and private entities

... mentioned in the GAP as leading on activities

Parties, relevant organizations, Chairs of constituted bodies, constituted bodies

... mentioned as contributing

(only listing those not already mentioned as leading)

national gender and climate change focal points, [UN Women](#), the research community, relevant national finance and budgeting entities, [Adaptation Fund](#), [Global Environment Facility](#), [Green Climate Fund](#), private sector, philanthropic financial institutions

Other mentions

Invite the research community and the [IPCC](#)  
Invited to collaborate [FWG LCIPP](#)

\* Secretariat leading on 20 and contributing to 9 outputs of activities under the gender action plan

United Nations  
Climate Change

Enhanced Lima work programme on gender

[#ActOnTheGAP](#)

# Development of new GAP activities

- ? What challenges/gaps/priorities is it addressing? (root cause, factors that influence the problem)
- ? How can it contribute to achieving desired outcomes over time? (year-on-year relevance)
- ? What action is required to get there?
  - ? What – concrete activity, measurable output
  - ? How – how precise/narrow should the activity be
  - ? Who – different roles
  - ? Where – level of implementation
  - ? When – dates, timelines
  - sequencing/phasing of related GAP activities or from other processes

## Possible new activities – Group work methodology

United Nations  
Climate Change

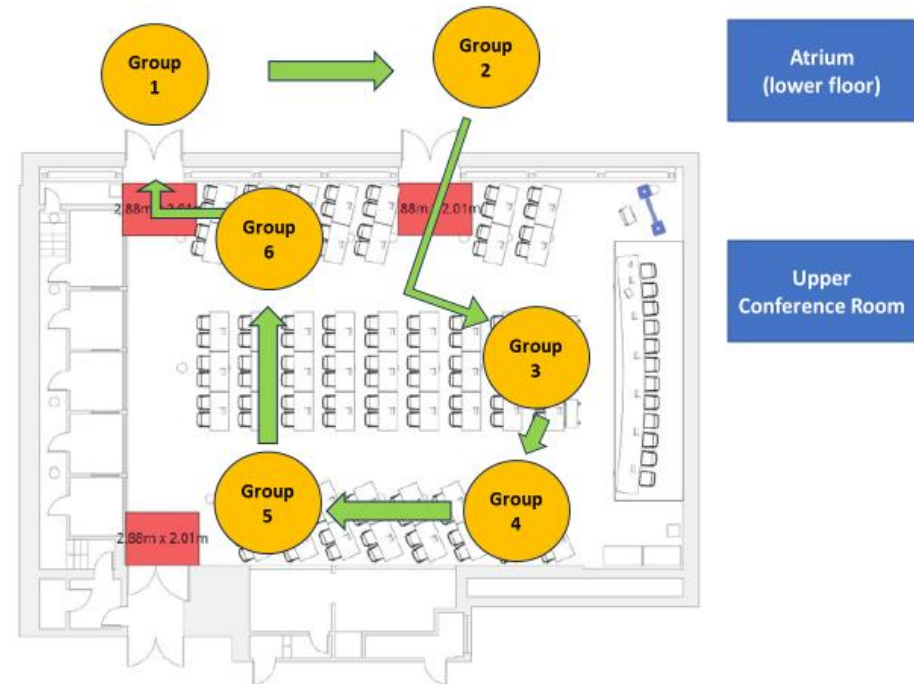

Enhanced Lima work programme on gender

#ActOnTheGAP

# Group work

- Your group is indicated on the back of your badge in **red ink**
- Each group must have:
  - **two party facilitators** to coordinate the discussion
  - **one observer** to reflect the discussion on the flip chart

United Nations  
Climate Change

Enhanced Lima work programme on gender

#ActOnTheGAP

# Initial individual work

- 15 min: Draft your new activity / activities
  - one activity per A4
- 5 min: Consider if your drafts are actual new activities or new deliverables of existing activities

## A4 template

Activity Description	Responsibilities	Timeline	Deliverables/Output	Level of Implementation

# Activity or deliverable?

## Activity

Describing action(s) that will remain relevant year-on-year and can be implemented through various specific deliverables.

## Deliverable

A specific, well-defined output that can be implemented, measured, and reported on.

United Nations  
Climate Change

Enhanced Lima work programme on gender

#ActOnTheGAP

# Activity or deliverable?

## Deliverable

A specific, well-defined output that can be implemented, measured, and reported on.

Existing GAP activity? Which one? Indicate and park.

New activity to be created during group discussion

United Nations  
Climate Change

Enhanced Lima work programme on gender

#ActOnTheGAP

## Group work

- Find commonalities and complementarities and consolidate similar views to reduce the number of separate activities.
- You are welcome to work on subgroups to frame specific activities.
- Discuss sequencing and linkages with other work and processes under or outside the UNFCCC.
- Finalize with A3 templates with new activities to be presented and discussed in the afternoon.

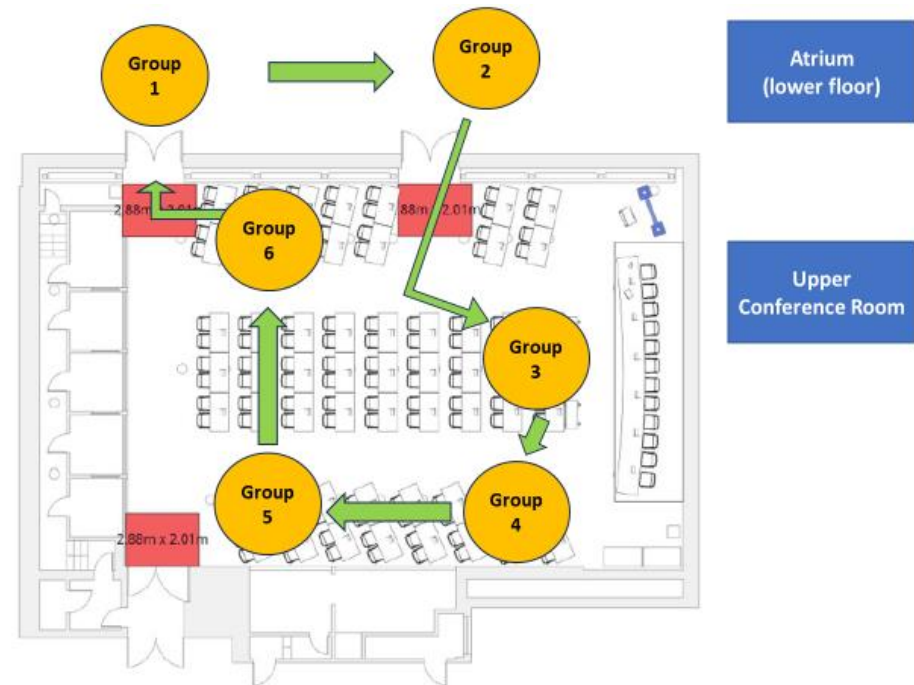

### A3 template

<i>Activity Description</i>	<i>Responsibilities</i>	<i>Timeline</i>	<i>Deliverables/Output</i>	<i>Level of Implementation</i>

# World Café Methodology

- Plenary presentation after lunch
  - 10 minutes per group to report back
- Two clockwise rotations
  - The whole group rotates together to the same station
  - Facilitators remain in their original station
  - Each rotation lasts 30 minutes

United Nations  
Climate Change

Enhanced Lima work programme on gender

#ActOnTheGAP

## Guiding questions

Given the potential new activities presented, is anything missing? Should anything be added?

Are there any clashes? Do you foresee any issues with the potential new activities?

Are there stakeholders who are key to implementing this activity, not yet being considered?

## Possible new activities – Focused group work

United Nations  
Climate Change

Enhanced Lima work programme on gender

#ActOnTheGAP

**Possible new activities –  
Focused group work**

**Objective:** Exchange views on possible new activities

**Group distribution:**

Group 1: Priority Area A: Capacity-building, knowledge management and communication

Group 2: Priority Area B: Gender-balance, participation and women's leadership

### Group 3: Priority Area C: Coherence

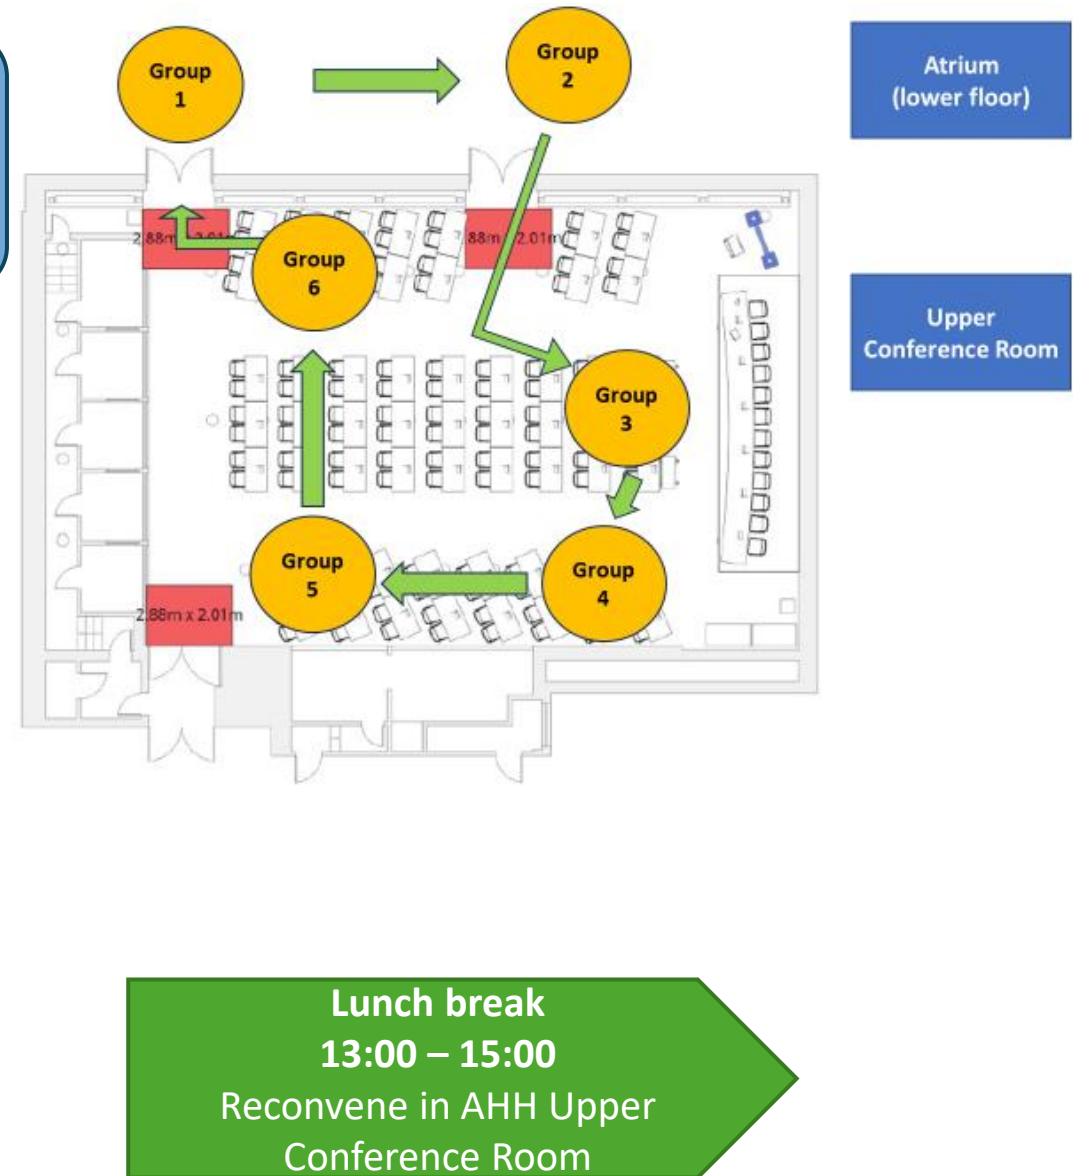

#### Group 4: Priority Area D: Gender-responsive implementation

Group 5: Priority Area D: Gender-responsive means of implementation

## Group 6: Priority Area E: Monitoring and reporting

### Elements to consider:

- (i) Activity description
  - (ii) Deliverables/outputs
  - (iii) Level of implementation
  - (iv) Timeline
  - (v) Responsibility

# Directions to GIZ

- **Tomorrow we will reconvene at the GIZ**
- **By Tram:** From Bonn Hbf (main station), take tram 16 (towards Bad Godesberg) or 66 (towards Ramersdorf) and exit at Ollenhauerstraße. Cross the traffic lights on the right, then walk right along the main road for a few minutes until you see the GIZ campus on your left.
- **By Train:** From Bonn Hbf, take train RB48 (towards Bonn-Mehlem) or RE5 (towards Koblenz) and get off at Bonn UN Campus. GIZ is a 5-minute walk from there.
- The main entrance is at the corner of the street, opposite a large brown-metal installation.
- **Arrive early for GIZ security process and bring a photo ID**
- *please refer to the logistics note for more information.*
