

**Template Day 2 – reported by Group 2**

World café, coherence; gender-responsive implementation and gender-responsive means of implementation

Tuesday 4 June 11:10-12:55

Coherence	GAP	What has worked and why	What has not worked and why not	What is needed to enhance implementation (Who, What, Where, When, How)		
				at the international level	at the regional level	at the local level
	<p>C.1 Ensure that members of constituted bodies are introduced to gender-related mandates and to the relevance of gender in the context of their work in a consistent and systematic manner</p> <p>All new and existing members of constituted bodies are introduced to the importance of gender-responsiveness</p>		<ul style="list-style-type: none"> <li>- Issue of siloisation =&gt; normative framework on gender from Beijing → to what extend it is linked with the one in UNFCCC</li> <li>- At national level : they say that they don't have enough people to create commune policies, but it is just that people don't work together = lack of coordination btw people working on the same thing</li> <li>- it is also true when talking about drafting the new GAP = we should look at what has been happening on the biodiversity forum =&gt; they have a different gender framework</li> </ul>	<ul style="list-style-type: none"> <li>- Need of the climate normative framework and the gender normative framework to come together at all levels</li> <li>- we should look at what has been happening on the biodiversity forum =&gt; they have a different gender framework, and we could be inspired by it in climate action</li> <li>- Way to channel/increase gender responsive climate finance</li> <li>- Need to bring gender to other climate fora</li> </ul>		<ul style="list-style-type: none"> <li>- Having the ministry of finance, environment and gender commission concerned by the GAP</li> </ul>

**Template Day 2 – reported by Group 2**

World café, coherence; gender-responsive implementation and gender-responsive means of implementation

Tuesday 4 June 11:10-12:55

			<ul style="list-style-type: none"> <li>- Lack of cooperation btw different minister whereas it could be a solution for the siloisation</li> <li>- UNDP funded only a few country and the processes are too difficult to access it (in general it is also true for climate finance)</li> <li>-</li> </ul>			
	<p>C.2 Facilitate the exchange of views and best practices of the Chairs of constituted bodies on how to strengthen the integration of the gender perspective into their work, taking into account the synthesis report on progress in integrating a gender perspective into constituted body processes referred to in paragraph 15(b) of this decision</p> <p>Selection of topics for dialogue</p>					
	C.2 Dialogue					
	C.2 Dialogue report					

**Template Day 2 – reported by Group 2**

World café, coherence; gender-responsive implementation and gender-responsive means of implementation

Tuesday 4 June 11:10-12:55

<p>C.3 Strengthen coordination between the work on gender considerations of the subsidiary bodies under the Convention and the Paris Agreement and other relevant United Nations entities and processes, in particular the 2030 Agenda for Sustainable Development, as applicable</p> <p>In-session dialogue on Gender Day focused on one thematic area relevant to the Convention and the Paris Agreement to promote coherence reflecting multidimensional factors</p>		<ul style="list-style-type: none"> <li>- Lack of coherence btw the international and national level = at a local level, they want to start implementation and not a plan, they want a Gender Implementation Work Program and a more practical plan</li> <li>- Lot of progress in the gender room but it is difficult to give gender in all the room and there is a lack on finance</li> </ul>	<ul style="list-style-type: none"> <li>- Invitation to think about different levels when we think of the new GAP = difficulty of the collaboration btw the levels</li> <li>- at a local level, they want to start implementation and not a plan, they want a Gender Implementation Work Program and a more practical plan</li> <li>- Need capacity building for negotiators of other topics</li> </ul>		
<p>C.4 Encourage Parties and relevant UNFCCC constituted bodies, in line with their respective mandates, to support action and implementation of the enhanced LWPG and GAP</p>			<ul style="list-style-type: none"> <li>- SCF could transmit guidelines for the Oes for greater geographic scope of gender</li> </ul>		

**Template Day 2 – reported by Group 2**

World café, coherence; gender-responsive implementation and gender-responsive means of implementation

Tuesday 4 June 11:10-12:55

	<p>Inputs to the Standing Committee on Finance for preparing the draft guidance to the operating entities of the Financial Mechanism</p>			<p>responsive climate finance</p> <ul style="list-style-type: none"> <li>- Within the finance roomn parties should mobilize for the NCQG to be gender-responsive</li> <li>- Question on how to finance the LWPG = other funds than the OEs</li> <li>- Request of parties to the SCF to include in their guidance gender responsive finance</li> <li>-</li> </ul>		
C.						

Gender-responsive	GAP	What has worked and why	What has not worked and why not	What is needed to enhance implementation (Who, What, Where, When, How)		
				at the international level	at the regional level	at the local level

**Template Day 2 – reported by Group 2**

World café, coherence; gender-responsive implementation and gender-responsive means of implementation

Tuesday 4 June 11:10-12:55

<p>D.1 Share experience and support capacity-building on gender budgeting, including on the integration of gender-responsive budgeting into national budgets to advance gender-responsive climate policies, plans, strategies and actions</p> <p>Submissions</p>	<ul style="list-style-type: none"> <li>- At ministry levels : they were obligated to be explicit on where in their budget there is gender-budgeting : they have to include and do the analysis and break that down in specific program → they had the template</li> <li>- Gender sensible budgeting located at the scale of the finance ministry</li> <li>- The plan gives direction in terms of the relevance of the gender budgeting and into the financing system</li> <li>- The donor funding project worked well</li> <li>- All the ministries have gender budgeting because it is integrated in national law</li> <li>-</li> </ul>	<ul style="list-style-type: none"> <li>- If the ministries did not respect the template for gender budgeting the way it is asked, it is not approved</li> <li>- The planification is located in the gender department and the coordination with other doesn't work</li> <li>- The gender focal point are working in different entities and don't coordinate = how to convince them to cooperate</li> <li>- Linkages between the plan and means of implementation do not work and this causes a lack of reporting on that =&gt; a lack of accountability</li> <li>- Difficult to link the Ministry of environment = question of how to integrate gender</li> </ul>	<ul style="list-style-type: none"> <li>- A new international plan may provide an additional anchor to implement action on the ground : work as a reference for countries to overcome the barriers</li> <li>- Need to work on a vision, clear objectives on what we want to achieve</li> <li>- Help from UN entities to have tools adapted in different contexts and stakeholders of what it could look like in their contexts in order for countries to have a clear</li> </ul>		<ul style="list-style-type: none"> <li>- Enable the ministries to be able to monitor and evaluate their program</li> <li>- Go further with criteria and indicators for the national level on gender budgeting and be sure the countries have the capacity to fill out the criteria and link them at the international level</li> <li>- Build difference</li> <li>- Need for accountability, otherwise, not able to ensure the planning and the implementation</li> <li>- The capacity building of the different actors (in all the ministries, not just the ones dealing with gender considerations) and their coordination</li> </ul>
--	--	---	---	--	--

**Template Day 2 – reported by Group 2**

World café, coherence; gender-responsive implementation and gender-responsive means of implementation

Tuesday 4 June 11:10-12:55

			<p>budgeting in this ministry</p> <ul style="list-style-type: none"> <li>- Certain countries needed to neglect the gender/climate strategy for just a gender strategy</li> <li>- Within the mechanisms of financing: cannot mobilize the finance</li> <li>- No clear mandate to have gender responsive climate gender budgeting, only writing submissions and having workshops, they lack a vision and clear outcomes of where they try to be in the future</li> <li>- A huge gap between this GAP and what has been implemented at national level</li> <li>- We are only asked to report voluntarily what has been done</li> </ul>	<p>mandate on what they have to do</p> <ul style="list-style-type: none"> <li>- Make sure what we are discussing is not only within the Gender workstream but also in other workstreams under UNFCCC progress =&gt; like finance for example</li> <li>- The need of having under the new instrument activities of a broader scope to allow adaptation into national context</li> <li>- Have the mandate to report and within the process : the</li> </ul>		<ul style="list-style-type: none"> <li>- Need to make more explicit linkages btw the plan, the implementation and the accountability</li> <li>- Need to strengthen the link btw climate/finance and budgeting explicitly</li> <li>- Capacity building of the GNFP on resources mobilizations and they could after reinforce the capacity of their national actors</li> <li>- GNFP should be formed on finance, bcs they are often climate experts</li> </ul>
