

Pre-2020 Stocktake

24 October 2019

Facilitator:
Rapporteur:

The objective of this working group is to draft a written input of Excom’s recent and relevant work to pre-2020 stocktake and ambition

Background

- COP, by decision 1/CP.24 reiterated its decision taken at COP 23 to convene a stocktake on pre-2020 implementation and ambition at COP 25. The COP decided that the stocktake will consider, among others, inputs of the constituted bodies under the Convention and the Kyoto Protocol.
- Excom has been invited to submit a concise written input on Excom’s recent work of relevance to pre-2020 implementation and ambition, supplementing Excom’s input on this matter in 2018 by **31 October 2019**
