

Procedural issues related to the Excom's expert groups

24 October 2019

Facilitator:

Rapporteur:

General terms of reference of the Excom's expert groups, para 11.

"The Excom, at the request of the expert group, can invite additional technical experts, including from the "WIM roster of experts", as appropriate and needed, to serve as ad-hoc members of the expert group."

Topics to be discussed in the working group

1-a. Criteria concerning the selection and engagement of ad-hoc members to the expert groups, including:

- Value addition
- Scope of work, role
- Duration, time frame for engagement
- ...

1-b Tweaks, if any, that may be necessary to the TOR to facilitate establishment and operation of expert groups

2 General guidelines regarding categorization of knowledge products, outputs, deliverables by the expert groups.

- Different categories of products/deliverables
- Process for branding with the WIM/Excom label
- Textual description to be used on outputs/products:
