International Renewable Energy Agency (IRENA)
Intended Partner-Determined Contribution
to the Global Implementation Accelerator

The International Renewable Energy Agency ("IRENA" or the "Partner),

Recalling Decision 1/CMA.7, *Global Mutirão: Uniting humanity in a global mobilization against climate change*, adopted at COP30, by which the Global Implementation Accelerator (the "Accelerator") was launched;

Supporting the mandate of the Accelerator to accelerate climate implementation, enhance international cooperation across all actors, and support countries in delivering their nationally determined contributions and national adaptation plans, with a view to keeping the 1.5 °C goal within reach;

Noting the cooperative, facilitative and voluntary nature of the Accelerator;

Recognising the call by the COP30 and COP31 Presidencies for institutions to join the Partner Network of the Accelerator, in accordance with its respective capacities, through time, expertise and resources, with the highest possible ambition, in the spirit of the *Global Mutirão;*

Considering that IRENA, as an intergovernmental organisation composed of 173 Members, that supports countries in their transition to a sustainable energy future, and serves as the principal platform for international co-operation, a centre of excellence, and a repository of policy, technology, resource and financial knowledge on renewable energy;

Acknowledging the findings of IRENA's flagship *World Energy Transitions Outlook (WETO)*, which highlight that achieving the 1.5°C target requires accelerated electrification, improved energy efficiency, and massive reallocation of investments towards renewable energy technologies, modernized infrastructure, and innovative financing mechanisms;

Considering that IRENA coordinates the Utilities for Net Zero Alliance (UNEZA) and the Alliance for Industry Decarbonization (AFID), which represent over 200 industry and power companies and other partners which have jointly adopted the *Plan to Accelerate Electrification Solutions*,

Hereby sets out its intended contribution to the Accelerator, as a Partner, as follows:

1. Intent to join the Partner Network. The Partner expresses its intent to participate in the Partner Network of the Accelerator (the "Partner Network") and to contribute, on a voluntary non-exclusive basis, in accordance with its mandate, capacities and available resources, to the acceleration of the solutions identified by the Accelerator from the Plans to Accelerate Solutions (PAS) under the Global Climate Action Agenda.

2. Intended Contribution. The Partner intends to support the objectives of the Accelerator through the following activities:

2.1 Hosting an event of the Partner Network on the sidelines of the annual session of the IRENA Assembly, subject to applicable approval procedures;

2.2 Providing policy and regulatory advice related to the deployment and use of renewable energies;

2.3 Sharing knowledge products on renewable energy technologies and making available digital tools, including IRENA's Global Atlas for Renewable Energy and SolarCity Simulator;

2.4 Facilitating capital mobilisation to scale up the development of renewable energy projects to advance the energy transition across emerging markets via IRENA's Energy Transition Accelerator Financing (ETAF) Platform and Climate Investment Platform (CIP);

2.5 Providing continued support to AFID and UNEZA in realisation of the *Plan to Accelerate Electrification Solutions* and exploring opportunities to support other relevant PAS, within IRENA's mandate and subject to the availability of financial and human resources.

The Partner may, as it deems appropriate, amend this Intended Partner-Determined Contribution through the submission of an updated document to the Coordination Hub of the Accelerator, reflecting additional activities that IRENA may identify in furtherance of the objectives of the Accelerator.

3. Baseline engagement. As a member of the Partner Network, the Partner will endeavor, in accordance with its mandate, capacities, regulations, rules, policies and procedures, and availability of resources, to:

3.1 Contribute in good faith and in the spirit of the *Global Mutirão*;

3.2 Designate a focal point for the Accelerator;

3.3 Cooperate, as appropriate, with the Coordination Hub and the PAS hosts to deliver on its intended contributions;

3.4 Provide brief information on contributions delivered for the purpose of informing the mid-cycle and completion reports for each acceleration cycle; and

3.5 Inform the Coordination Hub, as soon as reasonably practicable, of any material changes related to the implementation of a proposed contribution.

4. Recognition and visibility. The Partner consents to being publicly identified as a member of the Partner Network. Any specific use of IRENA's name, abbreviation thereof or logo shall be subject to IRENA's prior written approval and applicable internal procedures.

5. General provisions. This Intended Partner-Determined Contribution constitutes a voluntary expression of intent and reflects the Partner's willingness to cooperate in advancing the Accelerator's objectives. It does not create any legally binding or financial commitments on the part of the Partner.

Any legal, financial or other binding commitments arising in connection with the proposed contributions shall be subject to separate written arrangements, as appropriate, between the relevant parties and subject to the Partner's internal approvals, applicable regulations, rules, policies and procedures, and availability of financial and human resources.

Nothing in this Intended Partner-Determined Contribution shall be deemed to be a waiver, express or implied, of any of the privileges and immunities of IRENA.

6. Acceptance and acknowledgement. The Accelerator will confirm receipt of this Intended Partner-Determined Contribution and communicate its acknowledgement to the Partner, which thereby becomes a member of the Partner Network.

Signed in Antalya on 11 November 2026.

Francesco La Camera
