The secretariat refers to the forthcoming sixty-second sessions of the Subsidiary Body for Scientific and Technological Advice and the Subsidiary Body for Implementation (SB 62) to be held from **16 – 26 June 2025** at the [World Conference Center Bonn](#) (WCCB), Platz der Vereinten Nationen 2, 53113 Bonn, Germany and wishes to inform all intergovernmental organizations (IGOs) and non-governmental organizations (NGOs) admitted as observers by the Conference of the Parties that the online registration system (available at <https://onlinereg.unfccc.int/>), which allows observer organizations to nominate representatives to attend sessions, is now open for registration for SB 62, and will remain open for nomination of participants representing IGOs and NGOs from **6 February 2025 until 12 March 2025, 23:59, Central European Time (CET)**.

The ORS will be open for the **confirmation** by IGOs and NGOs of their representatives from 27 March 2025 until 15 June 2025, 23:59 Central European Summer Time (CEST). The manual on how to access and use the system is available [here](#). ORS is the only official channel for nominating participants for SB 62. The secretariat is not in a position to process nominations submitted by any other method.

Please note that **it is imperative that a correct and unique email address be provided for each delegate** for swift processing of registration confirmations. Once the delegate is confirmed in the ORS, an email with a link to download the acknowledgment letter will be sent to the email address of the confirmed delegate.

The formal notification of the sessions will be issued in due course and will provide participants with useful information. Additional details have already been published in the Information for Participants section for SB62 on the UNFCCC website [here](#).

**Distribution:** To all intergovernmental and non-governmental organizations admitted as observers by the Conference of the Parties.
