### Agreed strategy for implementation

4) The technical paper will be prepared in steps as described below:

- a. At SB 59, KCI agree on broad framework of technical paper.
- b. SB 62 (KCI12): KCI to take stock of the work and provide input to the in-progress draft technical paper.
- c. Working group to prepare draft technical paper four weeks before the KCI meeting held in conjunction with SB 62 for comments and finalization.
- d. SB 63 (KCI13): KCI to finalize the document. KCI meeting report will be adopted in advance of the next forum meeting. The KCI meeting report will include recommendations and/or key findings, as applicable, for consideration by the forum.
- e. Publication of the technical paper after KCI 13.
- f. The technical paper will include and further develop various training materials/modules, with the aim to facilitate the development of tools and methodologies which can be used by various stakeholders including KCI and forum to conduct regional and in-person trainings to enhance capacity and understanding of Parties on the assessment and analysis of the impacts of the implementation of response measures.
