 - Non-government actors
- IV: Summary of guidelines and policy frameworks
 - Summary of 52 guidelines and frameworks submitted*
- V: Conclusion and way forward

- Report provides useful insight as to how various stakeholder are embarking on work related to just transition
- The document serves as a useful repository of existing guidelines and policy frameworks
- KCI could draw upon elements for framework or guidelines synthesized in this report to prepare a comprehensive framework or a step-by-step guide for stakeholders
- This framework could seek to further expand on the context, concepts, principles, priority actions needed, just transition approaches and how to monitor, measure, verify and report on the effectiveness and impacts of the implementation of just transition

- Provide comments on the draft compilation and synthesis with a view to finalizing it
- Provide recommendations and/or key findings, as applicable, for inclusion in the meeting report for consideration by the forum in accordance with the strategy agreed for implementing this activity.
