

Prepare information for the technical assessment component of the global stocktake

Agenda Item 5(a)

14th meeting of the KCI
4–5 June 2026
Bonn, Germany

United Nations Climate Change
Katowice Committee on Impacts

Considerations for implementation plan

- **Mandate:**

- Organize a KCI technical workshop to prepare inputs for the second GST
- Output: summary report of the workshop

- **Timeline of GST 2**

- Information collection component of the second GST will start at CMA8 (Nov 2026),
- Technical assessment component will start at SB66 (June 2027), and
- GST2 will conclude at CMA10 (Nov 2028).
- The KCI may take these into consideration while planning for its technical workshop timeline.

- **Actions needed**

- agree on the timing of the technical workshop and
- provide guidance to the secretariat on the preparations for it

THANK YOU
