SBI 52–55 agenda item 11 Matters relating to the least developed countries

Version 02/11/2021 13:27

Draft conclusions proposed by the Chair

1. The Subsidiary Body for Implementation (SBI) took note of the oral report by the Chair of the Least Developed Countries Expert Group (LEG) on the implementation of the LEG work programme for 2021–2022 and expressed its appreciation to the LEG for the progress it has made under its work programme over the last two years.
2. The SBI welcomed the reports on:
 - (a) The 37th meeting of the LEG, held in Antananarivo, from 6 to 8 February 2020;¹
 - (b) The stocktaking meeting on the work of the LEG, held in Antananarivo, from 10 to 12 February 2020;²
 - (c) The 38th meeting of the LEG, held virtually, from 17 to 21 August 2020;³
 - (d) The 39th meeting of the LEG, held virtually, from 10 to 12 March 2021;⁴
 - (e) The 40th meeting of the LEG, held virtually, from 10 to 13 August 2021.⁵
 - (f) The progress, need for continuation and terms of reference of the Least Developed Countries Expert Group;⁶
3. The SBI also welcomed the successful organization of a writing workshop on national adaptation plans (NAPs), held virtually from 30 August to 3 September 2021, for those least developed countries (LDCs) in the early stages of the process to formulate and implement NAPs or those transitioning to the implementation phase.
4. The SBI expressed its appreciation to the Government of Madagascar for hosting the 37th meeting of the LEG and the stocktaking meeting referred to in paragraph 2(a–b) above and expressed its gratitude to the Government of Ireland for its provision of financial support for the work of the LEG.
5. The SBI also expressed its gratitude to the LEG and the secretariat for their work on supporting the LDCs and for continuing to coordinate support activities with relevant organizations.
6. The SBI noted that, as at 1 November 2021, 9 of the 30 NAPs submitted by developing countries were from the LDCs.
7. The SBI also noted that 22 of the 106 proposals received from developing countries for accessing funding from the Green Climate Fund (GCF) Readiness and Preparatory Support Programme for the formulation of NAPs that had been approved by the GCF secretariat as at 31 July 2021 were from the LDCs.
8. The SBI further noted that **xx** of the 106 proposals referred to in paragraph 7 above had received or were in the process of receiving funds from the GCF, and that 20 of those were from the LDCs.

¹ FCCC/SBI/2020/6.

² FCCC/SBI/2020/7.

³ FCCC/SBI/2020/14

⁴ FCCC/SBI/2021/6.

⁵ FCCC/SBI/2021/13.

⁶ FCCC/SBI/2020/8.

9. The SBI invited delivery partners of the GCF Readiness and Preparatory Support Programme for the formulation of NAPs to strengthen efforts to support LDCs with the goal of expediting the submission of readiness proposals to the GCF.
10. The SBI noted that all 46 LDCs have initiated the process to formulate and implement NAPs but there is slow progress in advancing the process.
11. The SBI also noted the implementation of adaptation projects in the LDCs, with 33 LDCs having successfully accessed funding for such projects from the GCF.
12. The SBI noted with appreciation the financial pledges, totalling USD 160 million, made by the Governments of Denmark, Germany, the Netherlands and Sweden to the Least Developed Countries Fund and urged additional contributions to the Fund.
13. The SBI invited Parties and relevant organizations to actively engage in supporting the LDCs in making tangible progress in the process to formulate and implement NAPs, and in implementing elements of the LDC work programme.
14. The SBI welcomed the ongoing collaboration of the LEG with the Adaptation Committee, other constituted bodies under the Convention, partners of the Nairobi work programme on impacts, vulnerability and adaptation to climate change and a wide range of relevant organizations, agencies and regional centres and networks, and encouraged the continuation of this collaboration.
15. The SBI initiated the review of the progress, need for continuation and terms of reference of the LEG and took actions and steps that resulted in the following outcomes:⁷
- (a) The LEG convened a meeting with representatives of Parties and relevant organizations to take stock of its work;
 - (b) Parties submitted their views on the work of the LEG,
 - (c) The secretariat prepared, and the SBI considered, a report on the LEG stocktaking meeting as input to the review;
 - (d) The secretariat prepared a synthesis report on the progress, need for continuation and terms of reference of the LEG on the basis of submissions from Parties, reports of the LEG, the report on the LEG stocktaking meeting and other relevant information.
16. The SBI considered the synthesis report prepared by the secretariat referred to in paragraph 15(d) above and completed its consideration of the review of the LEG. The SBI recommended a draft decision on the extension of the mandate of the LEG for consideration and adoption by the Conference of the Parties at its twenty-sixth session (for the text of the draft decision, see document FCCC/SB/2021/L.X/Add.X).
17. The SBI expressed its appreciation to members of the LEG during 2015–2021 and encouraged them to facilitate a smooth transition of work to new members.
18. The SBI took note of the estimated budgetary implications of the activities to be undertaken by the secretariat.
19. The SBI requested that the actions of the secretariat called for in these conclusions be undertaken subject to the availability of financial resources.

⁷ As per decision 19/CP.21, para. 14.

Draft decision -/CP.26

Extension of the mandate of the Least Developed Countries Expert Group

The Conference of the Parties,

Recalling decisions 5/CP.7, 29/CP.7, 7/CP.9, 4/CP.10, 4/CP.11, 8/CP.13, 6/CP.16, 5/CP.17, 12/CP.18, 3/CP.20, 1/CP.21, 19/CP.21, 16/CP.24, 7/CP.25, 11/CMA.1 and 19/CMA.1;

Recognizing the specific needs and special situation of the least developed countries under Article 4, paragraph 9, of the Convention and with regard to funding and transfer of technology consistently with the Paris Agreement,

Noting the importance of adaptation for the least developed countries and the role of national adaptation plans in addressing national, subnational, sectoral and local, as well as regional and transboundary, issues,

Having considered the reports on the 37th, 38th, 39th and 40th meetings of the Least Developed Countries Expert Group, the report on the stocktaking meeting on the work of the Least Developed Countries Expert Group, the views of Parties on the work of the Least Developed Countries Expert Group, and the synthesis report on the progress, need for continuation and terms of reference of the Least Developed Countries Expert Group,¹ and the recommendations contained therein,

Having considered the views shared by Parties during official events on this matter,²

Recognizing the value of the Least Developed Countries Expert Group in providing support for addressing the priority needs of the least developed countries,

Expressing its special appreciation to the Least Developed Countries Expert Group on its 20th anniversary,

Expressing its appreciation to the Least Developed Countries Expert Group for its successful work in implementing its work programme for 2015–2021 and in supporting the preparation and implementation of national adaptation programmes of action, other elements from the least developed countries work programme, and the process to formulate and implement national adaptation plans,

Recognizing the experience of the Least Developed Countries Expert Group in successfully supporting the formulation and implementation of national adaptation programmes of action in the least developed countries,

Also recognizing the value of information provided by the Least Developed Countries Expert Group, in collaboration with other constituted bodies under the Convention and the Paris Agreement, to the least developed countries, and on the engagement of a wide range of organizations, including through the Open NAP initiative and the NAP technical working group, in supporting the least developed countries,

Noting the importance of the Least Developed Countries Expert Group as a body that provides high-quality information on adaptation for the least developed countries,

Also noting that the least developed countries continue to require support for, inter alia, undertaking the process to formulate and implement national adaptation plans given its

² Enhancing support to the least developed countries: insights from a recent stocktaking meeting of the work of the LEG (for information, see <https://unfccc.int/node/227958>); technical dialogue with Parties and observers held by the SBI Chair on experience, good practices and lessons learned from LEG work to inform the review of the LEG (for information, see <https://unfccc.int/node/257183>); information event on the work of the LEG in supporting the least developed countries on adaptation (for information, see https://unfccc.int/event/info_event_LEG_SB2021).

medium- to long-term nature, engagement with the Green Climate Fund and implementation of the least developed countries work programme,

Further noting the need to support all the least developed countries in achieving the vision of having produced their first NAP by the end of 2020 or soon thereafter,

1. *Decides* to extend the mandate of the Least Developed Countries Expert Group (hereinafter referred to as the Group) under its current terms of reference;³
2. *Also decides* that the next review of the mandate of the Group will take place at its thirty-sixth session (2031);
3. *Further decides* to take stock of the work of the Group at its thirty-first session (2026), the midway point before its review at its thirty-sixth session, to reflect on the evolving needs of the least developed countries and the landscape of support under the Convention and the Paris Agreement, consider updating the original terms of reference of the Group and outline steps for the review of the mandate and terms of reference, building on steps from previous reviews;⁴
4. *Decides* to outline, at its twenty-ninth session (November 2024), the steps for the stocktake referred to in paragraph 3 above;
5. *Welcomes* the efforts of the Group in enhancing the accessibility and transparency of its meetings and information, and requests it to continue its efforts, building on the experience of other constituted bodies, while taking into account its nature as a technical expert group, and to provide information on these efforts in its reports;
6. *Invites* Parties and relevant organizations to continue to provide resources for supporting implementation of the Group's work programme;
7. *Requests* the Group to continue to provide technical guidance and support to the least developed countries in advancing the formulation and implementation of national adaptation plans, including in relation to the work on improving access to funding under the Green Climate Fund, build capacity to measure adaptation outcomes, and enhance linkages among national adaptation plans, national and subnational development plans and strategies, Sustainable Development Goals and relevant frameworks;
8. *Invites* the Group to consider creating thematic working groups to expand its technical support in specific areas, building on the experience and success of its national adaptation plan technical working group;
9. *Requests* the Group to include information within the scope of its outreach activities on various sources of financing for adaptation additional to the Financial Mechanism, drawing on the existing work of other constituted bodies, as appropriate;
10. *Requests* the Group to support the least developed countries in understanding the modalities for and ways of accessing means of implementation;
11. *Requests* the Group, in collaboration with relevant constituted bodies, to assist the least developed countries in addressing adaptation-related provisions under the Convention and the Paris Agreement, including the adaptation components of the nationally determined contributions, adaptation communications and national communications;
12. *Requests* the Group to continue to collaborate with the Standing Committee on Finance on matters relating to access to the Green Climate Fund and other funds under the Financial Mechanism by the least developed countries for funding of the process to formulate and implement NAPs;
13. *Requests* the Group to continue to collaborate with the Adaptation Committee and other constituted bodies working on adaptation, as well as on work under the Nairobi work programme, in providing support to the least developed countries for the process to formulate
