COP 29 agenda item 13

Periodic review of the long-term global goal under the Convention and of overall progress towards achieving it

Version 18/11/2024 22:09

The Conference of the Parties,

Recalling decisions 5/CP.25, paragraph 8, and 21/CP.27, paragraph 22,

1. *Notes* that the consideration of the continuation of periodic reviews of the long-term global goal under the Convention and of overall progress towards achieving it has commenced at this session;

2.

Option 1 *Requests* the Subsidiary Body for Scientific and Technological Advice and the Subsidiary Body for Implementation to continue consideration of this matter at their sixty-second sessions (June 2025) with a view to recommending a draft decision on this matter to the Conference of the Parties for consideration and adoption at its thirtieth session (November 2025);

Option 2 *Decides* to continue consideration of this matter at its thirtieth session (November 2025) with a view to concluding consideration of the matter at that session;

3. *Invites* Parties and observers to submit via the submission portal¹ by [4 April 2025] [29 August 2025] views on the continuation of periodic reviews, reflecting on their experience from the first periodic review (2013–2015), the second periodic review (2020–2022) and the first global stocktake (2021–2023); potential overlaps and synergies between the periodic review, the global stocktake and other relevant processes under the Convention and the Paris Agreement; and the availability of new information relevant to the periodic review;

4. *Requests* the secretariat to prepare a synthesis report on the submissions referred to in paragraph 3 above for consideration by [the subsidiary bodies at their sixty-second sessions] [the Conference of the Parties at its thirtieth session];

5. *Takes note* of the estimated budgetary implications of the activity to be undertaken by the secretariat referred to in paragraph 4 above;

6. *Requests* that the actions of the secretariat called for in this decision be undertaken subject to the availability of financial resources.
