# Simplifying delivery and transforming impact through Direct Access

Lia Nicholson  
Department of Environment  
Antigua and Barbuda

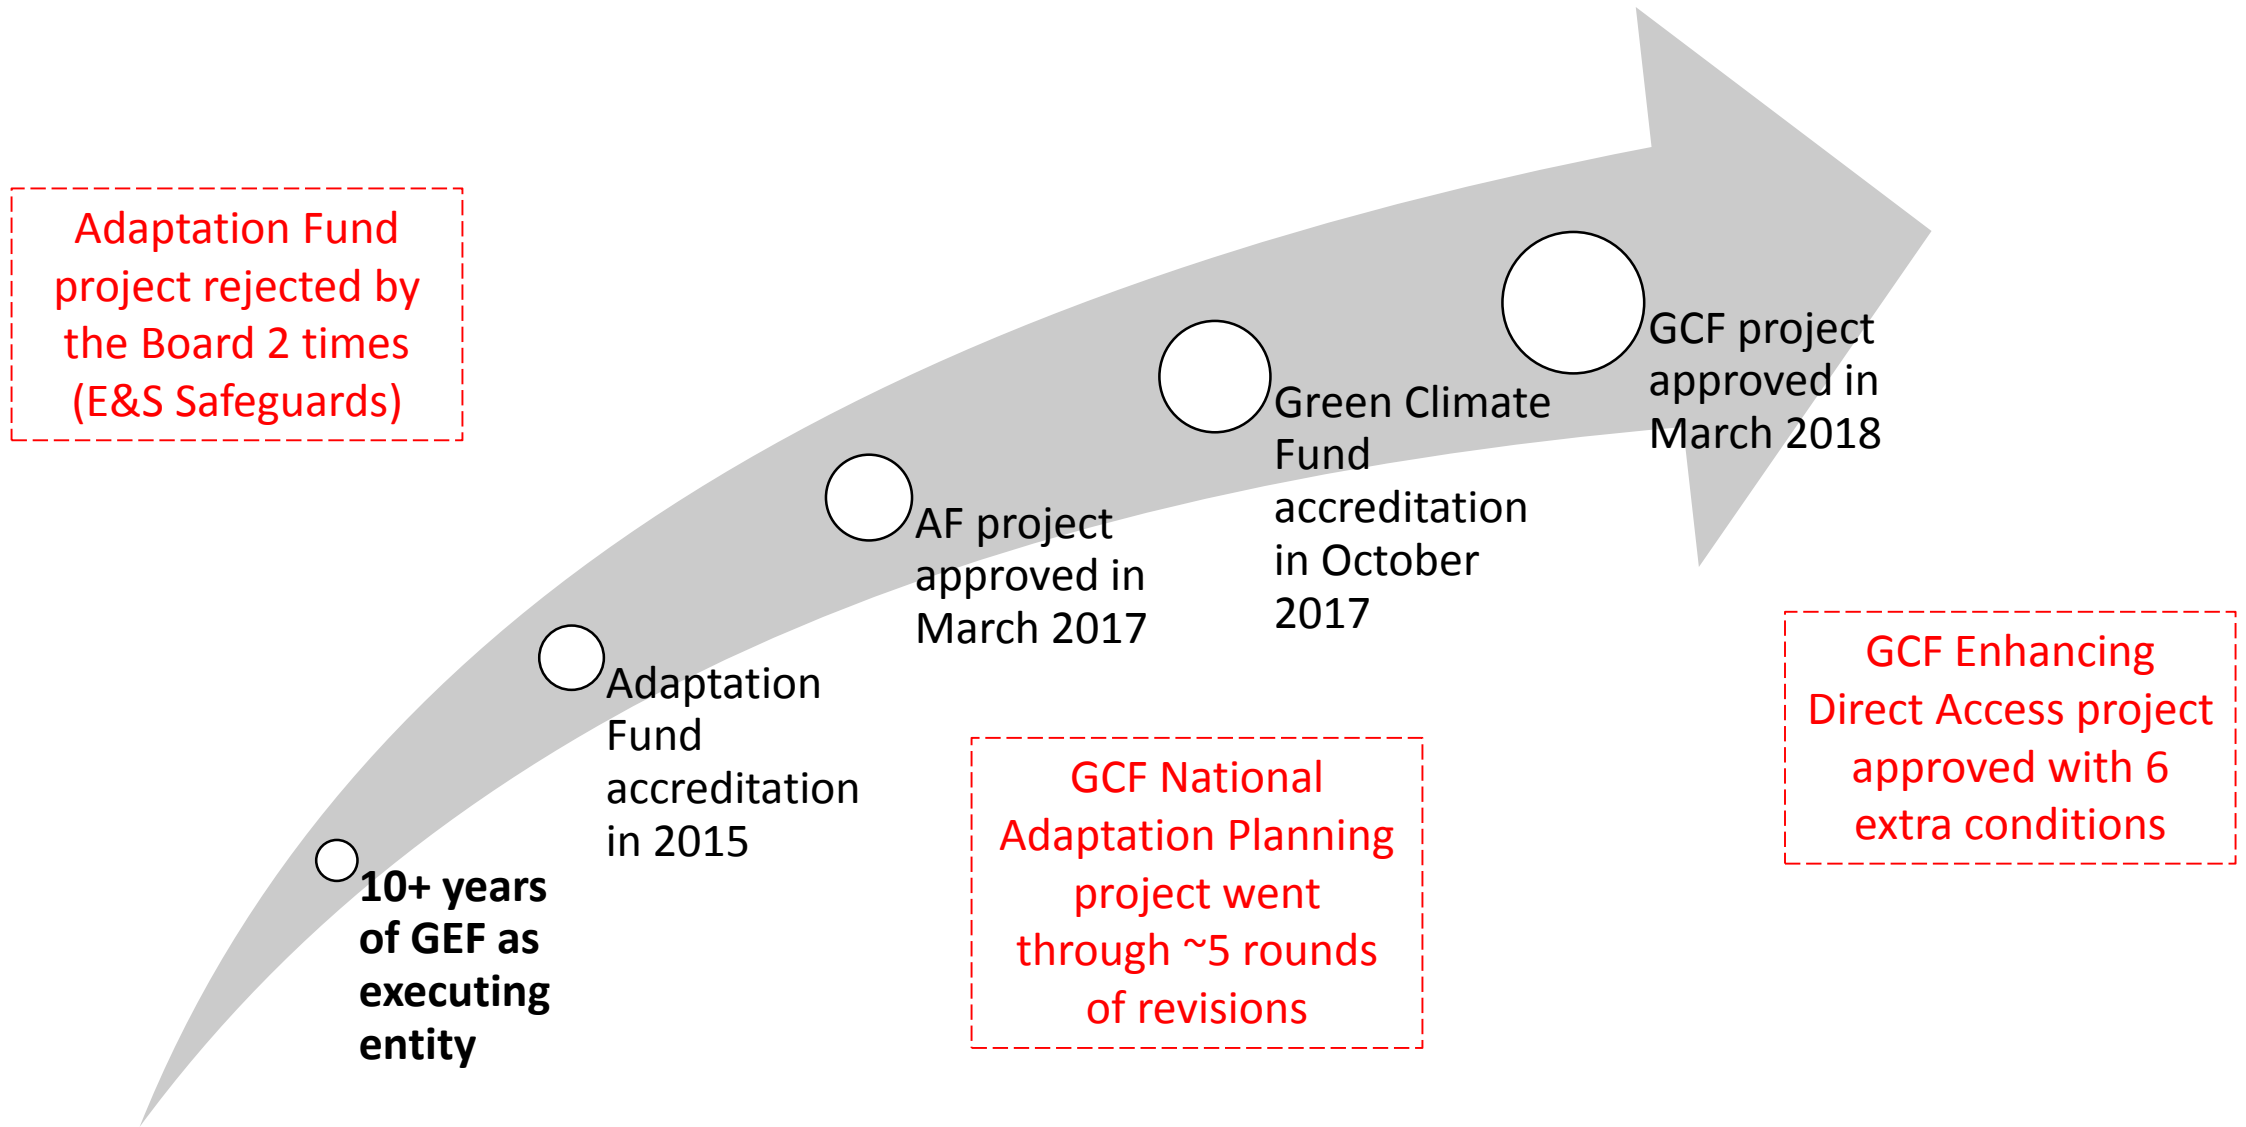

7 May 2018

1.5 years to get accredited  
1.5 years to develop a funding proposal

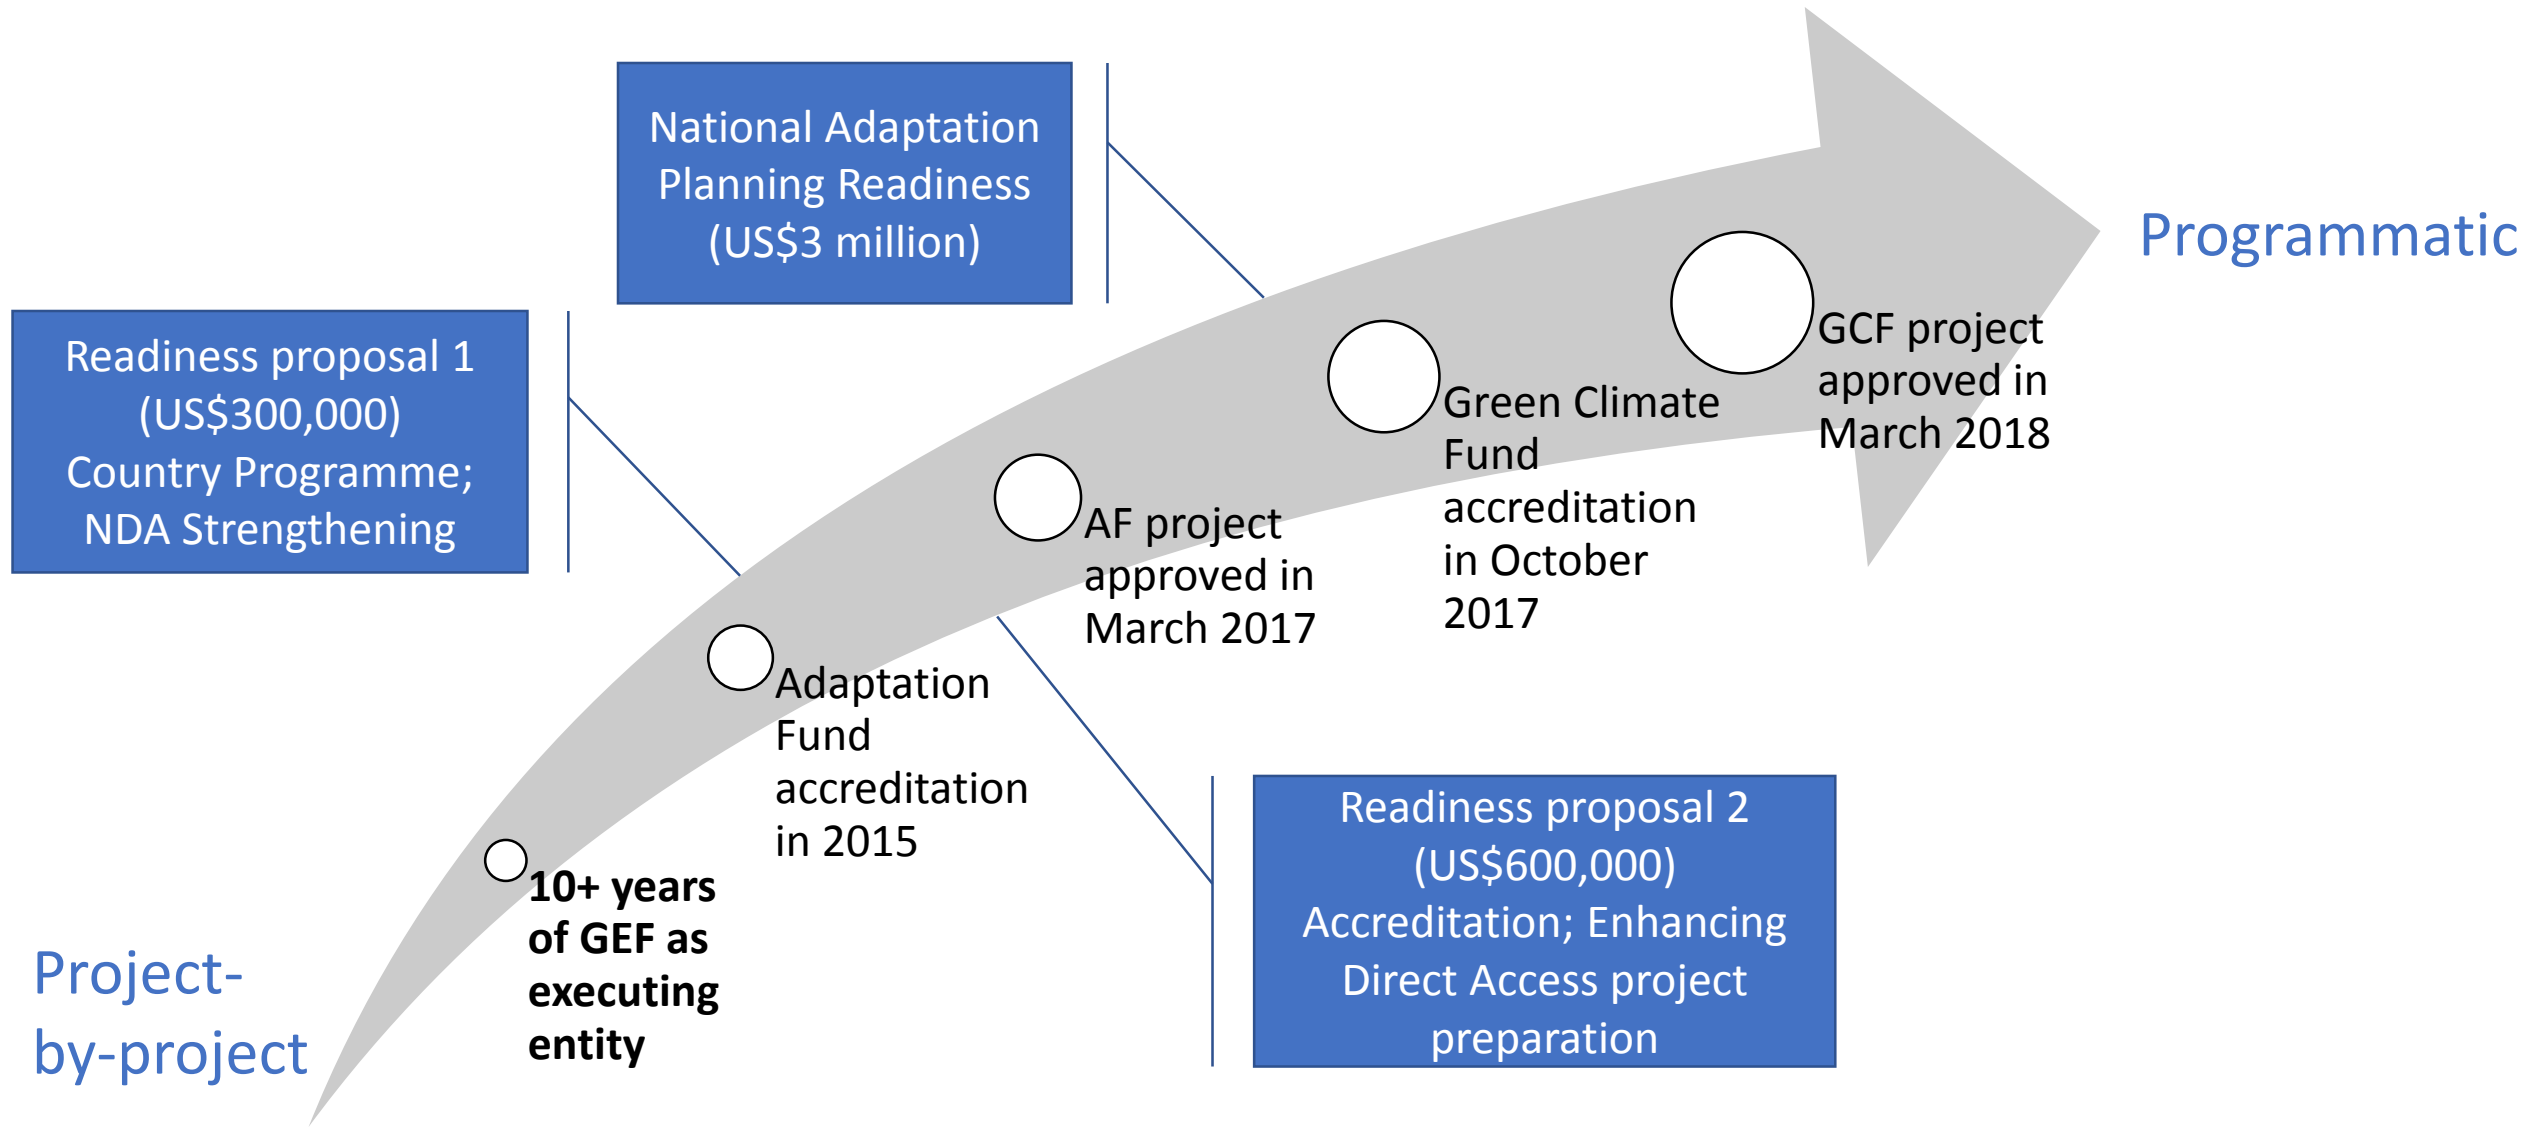

# 1.5 years to get accredited

## 1.5 years to develop a funding proposal

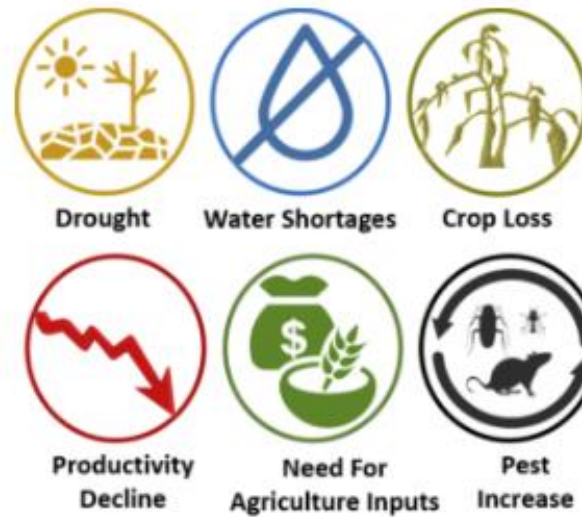

# 1.5 years to get accredited

## 1.5 years to develop a funding proposal

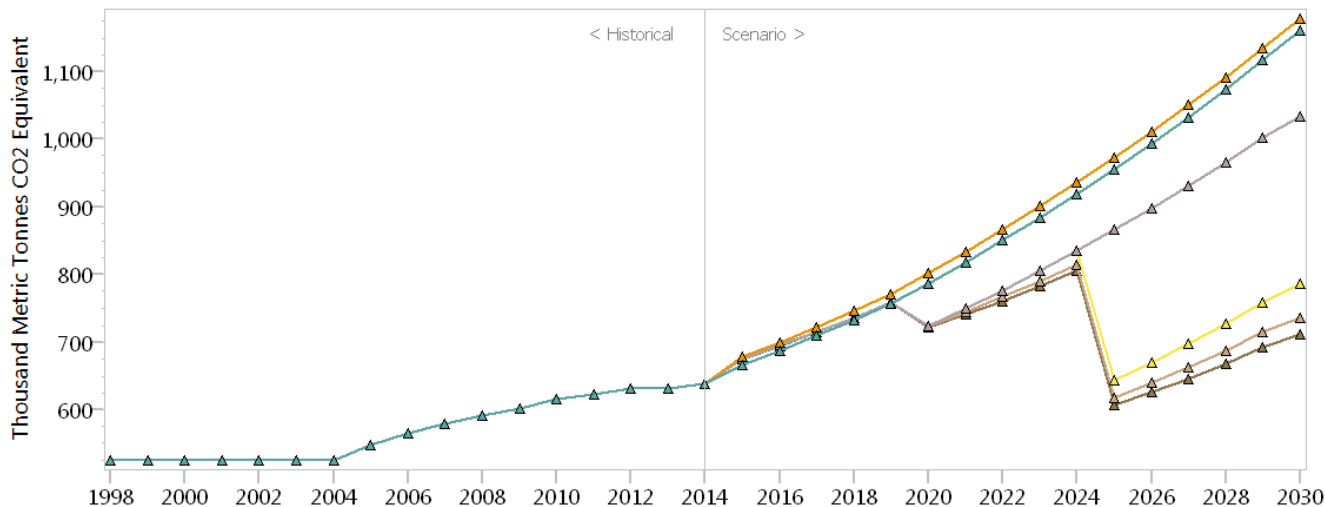

# Country-driven Programming

# Mission: deliver Antigua and Barbuda's NDC

## Mitigation

- Decouple economic growth from GHG emissions for 1.5°C

## Adaptation

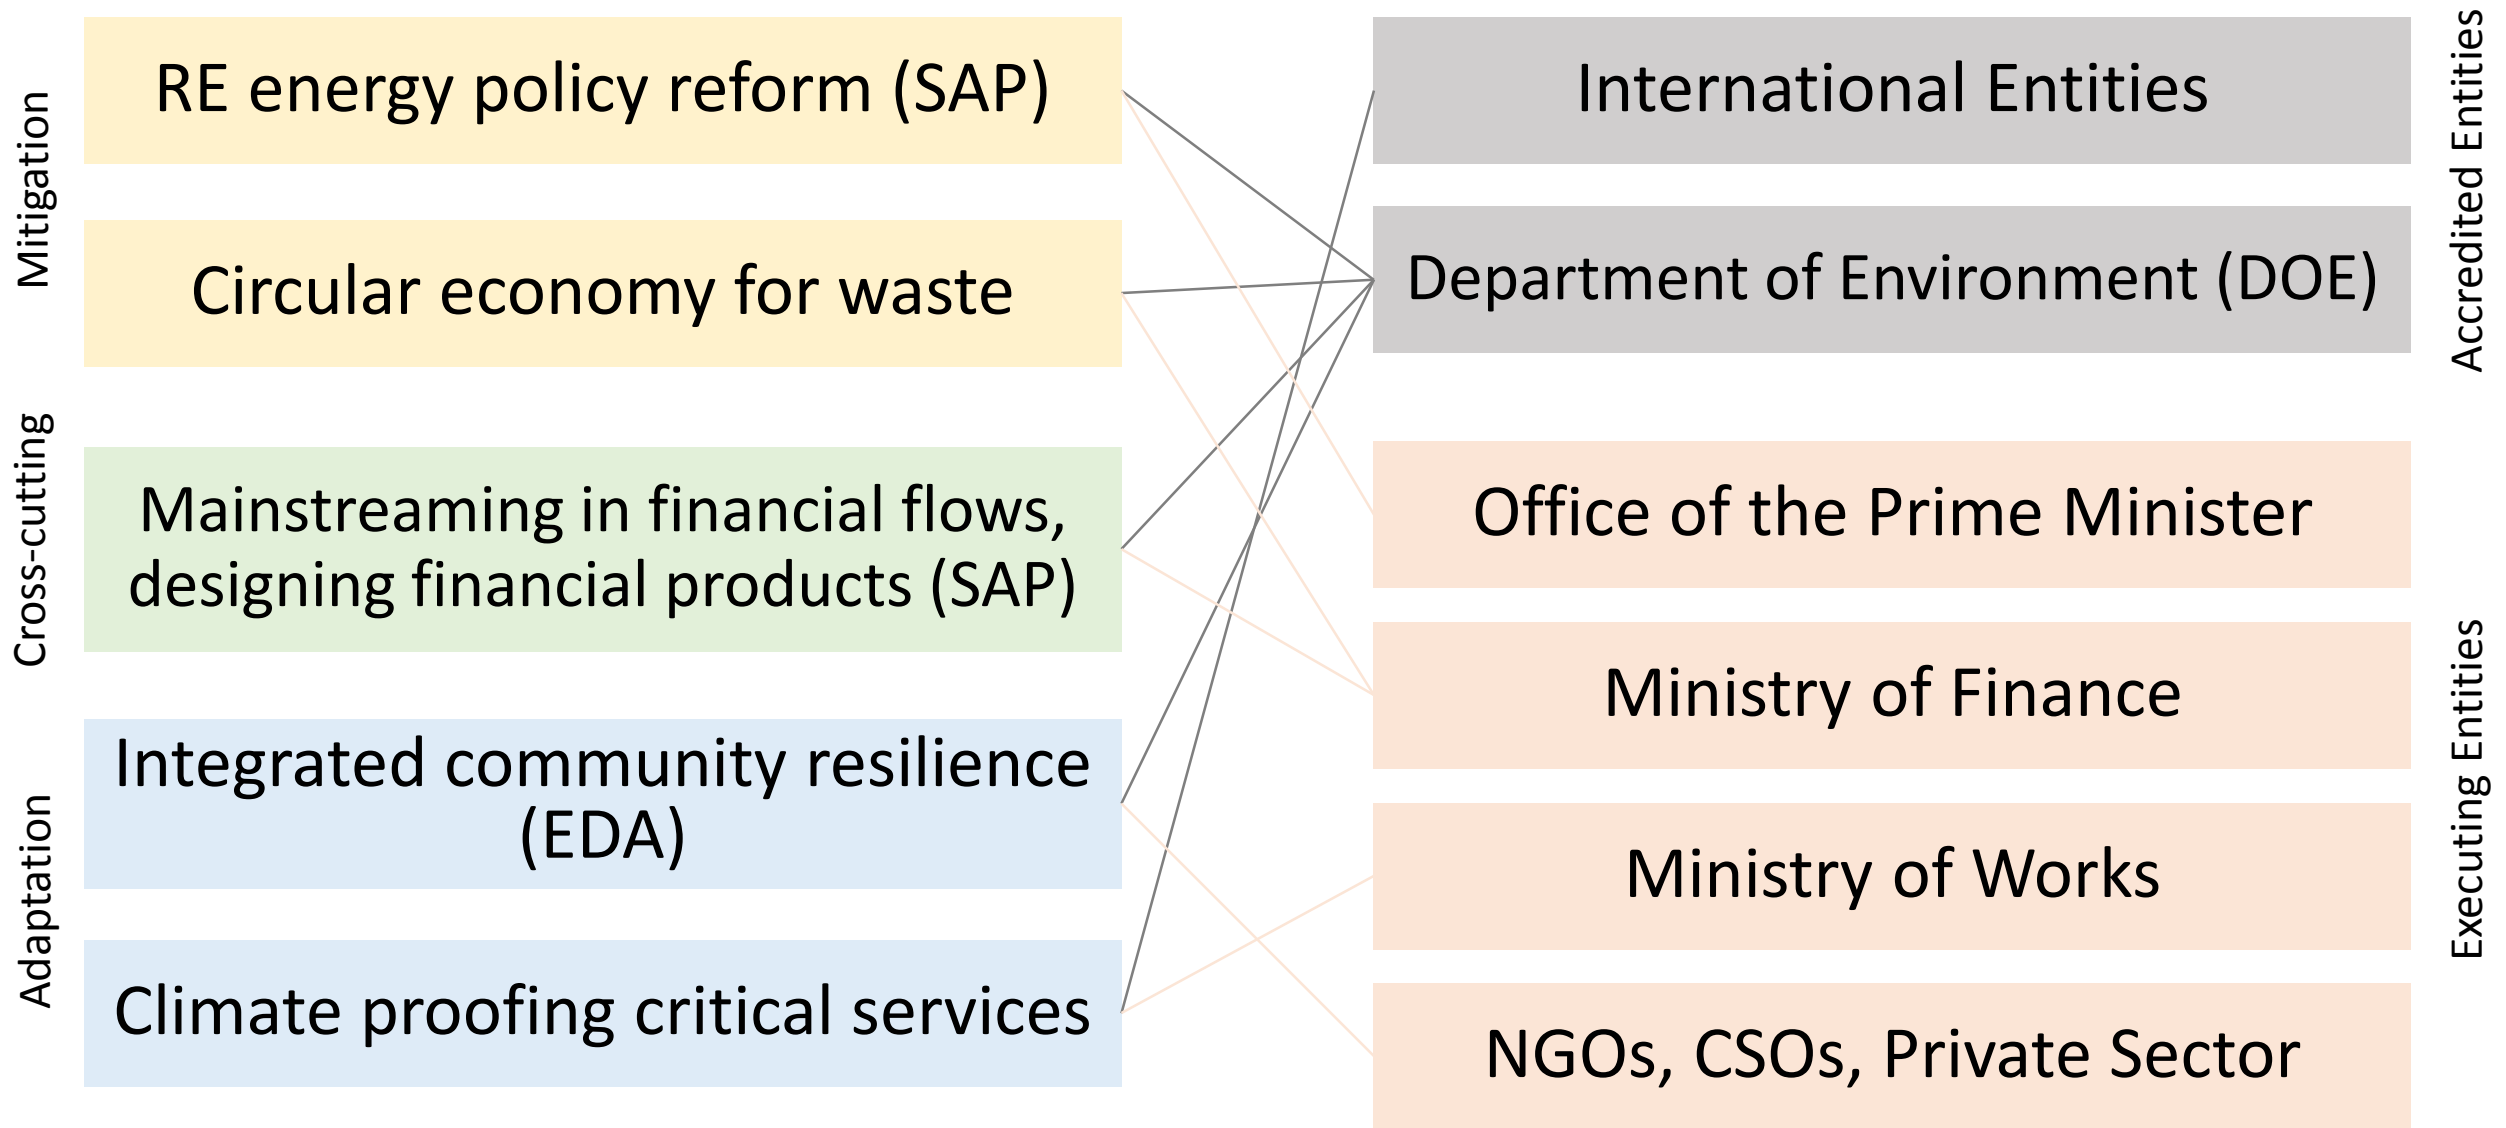

- Economy and people can withstand a Category 5 hurricane, 1 m sea level rise, and a 3-year drought, while the core economy is still functioning as if climate change were not occurring.

**If we do not  
change our  
direction,  
we will end up  
where we are  
headed**

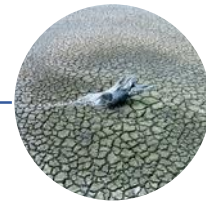

# Set priorities and define the delivery chain

# Post-accreditation goals

Speed up project development

Build capacity of Executing Entities and service providers

Unlock local capital – loans, equity, insurance

Capitalize on partnerships with international entities

Accredit two other SIDS via Adaptation Fund South-South grant

# Long-term finance

Market mechanism for the financial security of the Adaptation Fund

Ambitious first replenishment of the GCF

Accredited Entities to shift GHG and climate resilience baselines of their operations and portfolio (GCF)
