

6 November 2022

**United Nations Climate Change Conference 2022
COP 27/CMP 17/CMA 4
Sharm El-Sheikh, Arab Republic of Egypt
6 – 18 November 2022**

**First Part of the High-Level Segment
United Nations Climate Change Conference, Sharm El Sheikh, Egypt, 2022**

The first part of the high-level segment of COP 27/CMP 17/CMA 4 will be held during the Sharm El-Sheikh Climate Implementation Summit from Monday, 7 November to Tuesday, 8 November 2022, and will hear national statements from Heads of State and Government and Vice Presidents who have registered and confirmed their wish to deliver a statement. Parties will have only one opportunity to deliver a national statement during the high-level segment.

The list below represents speakers for Parties whose Head of State or Government, or Vice President will attend the Sharm El-Sheikh Climate Implementation Summit on 7 and 8 November and who have been confirmed to deliver a national statement or statement on behalf of UNFCCC negotiating group at the high-level segment of the COP 27/CMP 17/CMA 4.

No tickets will be required for access and attendance at the opening of the high-level segment.

Modalities for delivery of National Statements

All speakers should ensure that they are in the plenary room at least four speakers ahead of the delivery of their national statement. They will be escorted by an usher during the presentation of the previous speaker from the seat of their delegation to a reserved chair close to the podium. **Speaking slots for those who are not in the plenary at the time for delivery of their statement will be rescheduled to speak at the end of all statements of the same category.**

Given the number of Parties and the limited amount of time available for statements, it will be necessary to limit the duration of each statement. Representatives are reminded that statements made during the high-level segment should not exceed the **three-minute limit**. To be fair to all speakers, time limits will be strictly enforced. An electronic/mechanical device will be used to mark the 3-minute allotted to each speaker. This will allow all speakers to deliver their national statements. Parties are strongly encouraged to ensure their national statements do not exceed a maximum of **three minutes**. Statements on behalf of negotiating groups should not exceed **five minutes**.

Statements will be delivered reflecting protocol order in accordance with the United Nations. The secretariat is not able to accommodate individual requests for changes in a Party's speaking slot. Parties wishing to make a change should arrange to exchange slots with another Party, and both Parties jointly notify the secretariat of the agreement that has been reached.

Hard copies of statements will not be circulated in the Plenary during the high-level segment. Full texts of official statements will be posted on the UNFCCC website. To have statements posted on the

UNFCCC website, Parties speaking at the high-level segment on 7 or 8 November are requested to send an electronic file containing the statement in advance to copprotocol@unfccc.int.

Should Parties not wish to speak but prefer only to have their statements uploaded to the UNFCCC website, the secretariat will arrange to have this done and enter the statement in the records of the Conference. Parties interested in taking up this option should communicate their interest in writing to the External Relations office at copprotocol@unfccc.int or to the External Relations team, who will also be located at the front of the plenary during the high-level segment.

Parties whose Head of State or Government will not physically be in Sharm El-Sheikh but who would still like to convey their national statement during the summit are able to submit a written statement which will be uploaded to the UNFCCC website on 8 November, following the delivery of statements by HOS/G. Parties who would like to avail of this option should send their statements to the External Relations office at copprotocol@unfccc.int no later than Tuesday, 8 November 2022. Parties who take up this option will not be able to deliver a national statement in the resumed high-level segment on 15 and 16 November 2022.

Interpretation in the six official languages of the United Nations (Arabic, Chinese, English, French, Russian and Spanish) will be provided.

To ensure the quality of interpretation of national statements, an electronic copy of the statement should be provided to the Conference Officer at Conference-Officer@unfccc.int and copied to copprotocol@unfccc.int as early as possible but at least 60 minutes prior to delivery of the statement.

Please note that the official reception for Heads of State and Government will begin at 18:30.
