

The Multilateral Assessment Application Tool (MA Application)

An introductory guide

Background

Decision 2/CP.17, Annex II, para. 10 (“Modalities and procedures for international assessment and review”):

The multilateral assessment should entail the following:

- a) Any Party may **submit electronically through the secretariat** written questions to the Party concerned in advance of the international assessment

- b) The Party under assessment should endeavour to **respond to those questions, through the secretariat**, within two months. **The secretariat will compile the questions and answers and publish them on the UNFCCC website**

Question and Answer Process

The Question and Answer (Q&A) Process under the IAR will consist of three phases:

- ❑ **Phase 1** – Parties can submit their questions to any of the Parties under assessment through the secretariat (1 to 30 September 2014);

- ❑ **Phase 2** – Parties under assessment have two months to respond to the questions (1 October to 30 November 2014);

- ❑ **Phase 3** – The secretariat compiles the questions and responses and publishes them on the UNFCCC website (before working group I on 6 December 2014).

Highlighted Features

- Questions and answers are submitted directly in the application and are tracked throughout the Q&A process
- Questions and answers submitted by the Party are stored in the application, and can be accessed and/or exported by the Party at any time in the future
- Automated email notifications
- All information is centralized and in a common format

Key Functionalities

1. Communication

- Documents and announcements on the homepage
- Status of Party
- Automated alerts, notifications and reminders
