

Land Use Action Event:

MPGCA Land Use: Maximizing the contribution of the land use sector to a 1.5°C climate neutral and resilient world

Programme

Version 28 November

<p>Date: 06/12/2019 Time: 15:00-18:00 Room: TBC</p>	<p>Maximizing the contribution of the land use sector to a 1.5°C climate neutral and resilient world</p>
<p>15:00-15:20</p>	<p>Setting the Stage: Land use sector is as a solution to climate change Moderator: Mario Bocucci Speakers: 5-min remarks</p> <ul style="list-style-type: none"> • Opening remarks by the High-Level Champion, including on the Katowice Declaration on Forest and Climate and the role of NbS in the last Climate Action Summit (TBC) • Key note on Climate Action Summit by Ambassador Luis Alfonso De Alba (TBC) • Natural Climate Solutions, opportunities to achieve the Paris Agreement. Peter Ellis, Forest Carbon Scientist TNC
<p>15:20-17:50</p>	<p>Pre 2020 Action: where we are now and what has been achieved Format: <i>Flash talks (5 min maximum) showcasing progress now and through 2020 [pre2020 action], plans to raise ambition building upon existing progress and taking transformative action in land use sectors [post2020 action] and discussing on the challenges and plans to overcome them to achieve the vision 2050 for the forest and land use sector [vision 2050]. Depending on the topic each speaker will offer more insights on one of the three perspectives although it is expected to show some linkages with the other perspectives as well.</i></p>
<p>15:20 – 15:50</p>	<p>Topic 1: Landscape Restoration Moderator: Jamison Ervin, NYDF Secretariat</p> <ol style="list-style-type: none"> 1) [Pre2020 action] Global restoration movement: Bonn Challenge and Barometer of Progress - Carole Saint-Laurent, Deputy Director, Forest Conservation Programme IUCN 2) [Pre2020 action] New monitoring efforts: Global Restoration Platform – Paige Langer, Research Analyst, Forest Programme WRI 3) [Post2020] UN Decade on Ecosystem Restoration – Tiina Vahanen, FAO 4) [Vision 2050] Initiative: Building Resilience in the Central American Region under a Synergistic Approach between Mitigation and Adaptation - Focusing on Agriculture, Forestry and Other Land Uses (AFOLU) sector – Jorge Ernesto Quezada, Ministry of Environment and Natural Resources El Salvador

		5) [Vision 2050] Indigenous People's (TBC)
15:50 16:20	–	<p>Topic 2: Forest conservation and REDD+ Moderator: Frances Seymour, Distinguished Senior Fellow WRI</p> <ol style="list-style-type: none"> 1) [Pre2020 action] SFM at large scale, Paulo Hartung, Executive President IBA (TBC) 2) [Pre2020 action] Scaling Finance for Tropical Forest Protection - Eron Bloomgarden, Executive Director of Emergent 3) [Post2020] Government measures to finance restoration and SFM through result-based payments - Jose Antonio Prado, CONAF Chile (TBC) 4) [Vision 2050] Protecting forest sinks and reservoirs, Tom Evans, Director Forest Conservation and REDD+ Wildlife Conservation Society 5) [Vision 2050] Mesoamerican Fund for Strengthening Business Capabilities of Indigenous Women and Community-Based Organizations, an opportunity for REDD + to include women living with forests. Sara Omi, President of the Alto Bayano IP Congress and Coordinator of leader of “Women Territorial Leaders of Mesoamerica”.
16:20 16:50	–	<p>Topic 3 Supply chains and food systems Moderator: Ms. Maria Jose Sanz, Scientific Director of the Basque</p> <ol style="list-style-type: none"> 1) [Pre2020 action] Key barriers to climate action in land use sectors and how to break them - Kay Harrison, New Zealand Climate Change Ambassador 2) [Pre2020 action] High Carbon Stock Approach, Grant Rosoman, HCSA Executive Committee member 3) [Post2020] Targets of 2030 climate action package of Germany under the Climate Action Plan 2050, Bernhard Osterburg, Thunen Institute 4) [Post2020] Transforming Food Systems Under Climate Change, Deissy Martínez Barón, CCAFS Regional Coordinator for Latin America. 5) [Vision 2050] Shift of subsidies and fiscal incentives - Martien Van Nieuwkoop, Director, Agriculture and Food Global Practice, the World Bank
16:50 17:20	–	<p>Topic 4: Greening cities Moderator: Frances Seymour, Distinguished Senior Fellow WRI</p> <ol style="list-style-type: none"> 1) [Pre2020 action] Making Cities Resilient & Cities With Nature- Yunus Arikan Director of Global Advocacy, ICLEI-Local Governments for Sustainability 2) [Post2020] Role local authorities are playing in improving forest awareness, management and conservation of cities' forests - local government/city representative (TBC) 3) [Vision 2050] A pathway for action for policymakers, finance and investment, technology and innovation, activity implementers, and civil society to successfully re-greening cities by 2020, 2030, and 2050 – Andres Flores, WRI Mexico
17:20 17:50	–	<p>Topic 5: Finance for the forest and land use sector Moderator: Josefina Brana-Valera, WWF</p> <ol style="list-style-type: none"> 1) [Pre2020 action] Status of climate finance for the forest and land use sector - Paul Simpson, CDP's CEO 2) [Pre2020 action] Finance4Forest Initiative – Jennifer Morris, CI's President

	<p>3) Funding modalities for forest and land use activities, Janie Rioux, Senior Agriculture and Food Security Specialist, GCF</p> <p>4) [Post2020] Global Environmental Facility – Gustavo Fonseca, Director of Programs - GEF 7</p> <p>5) [Post2020] Bhutan for Life: Financing Permanent Protection for 51% of a Nation with Benefits for Climate and People - Dr. Jigme Tenzin, Department of Forests and Park Services (DoFPS) of Bhutan [Vision 2050] Private sector lead company (TBC)</p>
17:50-18:00	<p>Closing: Roadmap for Land use Sector Moderator: Mario Bocucci</p> <p><i>The moderator will summarize the inputs received from every panellist, and moderate a discussion with the audience to define a pathway for achieving sustainable and resilient 1.5°C world through land use sector.</i></p>
