

N.V. No. 2996/2017

The Ministry for Foreign Affairs and Trade Promotion of the Republic of Malta presents its compliments to the United Nations Framework Convention on Climate Change Secretariat and has the honour to inform of the deposit of the Instrument of Acceptance of the Doha Amendments to the Kyoto Protocol by the Republic of Malta.

The Government of the Republic of Malta has the honour to inform that today, Thursday 21st December 2017, the Republic of Malta through its Permanent Representation to the United Nations in New York, has simultaneously deposited with the rest of the European Union Member States the Instrument of Acceptance of the Doha Amendment to the Kyoto Protocol. This follows the Republic of Malta's acceptance of this instrument of Ratification on 22nd November 2017.

It is thus with great esteem that the Republic of Malta informs the UNFCCC Secretariat of the deposit of the instrument of acceptance and announces that in accordance with the Notification of the terms of the Agreement to fulfil jointly the commitments of the European Union, its Member States and Iceland under Article 3 of the Kyoto protocol for the second commitment period, the Republic of Malta, measures 9,299,769 tonnes of Emission Levels of the Member States and Iceland (before the application of Article 3 (7bis)) in terms of tonnes of carbon dioxide equivalent for the second commitment period of the Kyoto Protocol.

The Ministry for Foreign Affairs and Trade Promotion avails itself of this opportunity to renew to the United Nations Framework Convention on Climate Change Secretariat the assurances of its highest consideration. 

21st December, 2017
