

2019 SCF Forum - Climate Finance and Sustainable Cities

Information about the resource persons

Dr. Marzena Chodor
Poland

Dr Marzena Chodor has over 20 years of professional experience in senior managerial positions and advisory roles, of which 15 years of experience in the carbon market, international climate negotiations, and in the EU ETS administration.

During her professional career, she worked in public administration, including ETS Competent Authority, the European Commission, where she was member of the team working on the review of the ETS as part of the EU 2020 Climate and Energy Package, and in private sector, as project director and key expert on climate policy, regulatory reform and carbon markets.

Currently she is Co-Chair of the Paris Committee on Capacity Building, a UNFCCC body established under the Paris Agreement and a member of the COP24 Presidency team. She has been a member of the EU and Poland's negotiating teams in international climate negotiations since 2005 and acted, among others, as facilitator of capacity building negotiations.
