

**Delegation of Brazil - Media Advisory**  
**Brazilian Pavilion Official Opening, other events on Monday 6 November**

The Delegation of Brazil invites media to the official opening ceremony of *Espaço Brasil* (The Brazilian Pavilion) at COP 23 on Monday Nov 6, at 6:00 PM. During this event, the Ministry of Environment and the Brazilian Forest Service will present the “River Planters” App, developed to foster and support the recovery of rivers and springs.

The Brazilian Pavilion is a place for information-sharing, meetings and seminars including participants from government, civil society, academia and the private sector. Coordinated by the Brazil delegation, it will also be a space for networking with international authorities, businesses, opinion leaders and specialized experts.
