

## Media Advisory

You are invited to the side-event:

### **‘Just Transition to a Low Carbon and Sustainable Future’**

**Wednesday, November 15<sup>h</sup>, 2017**

**18:30 - 20:00**

**Room 9, Bonn Zone**

**\*\*Accreditation required\*\***

Responding to climate change requires a transformation of unsustainable structures and a transition towards a low carbon economy. The side event will discuss the social impacts and guiding justice principles for a just transition with case studies from Bangladesh and The Philippines.

This panel discussion will feature:

- Manuela Matthes (Moderator), Friedrich Ebert Stiftung
- S. Jahangir Hasan Masum, Coastal Development Partnership
- Rhoda Boateng, ITUC Africa
- Gerry Arances, Center for Energy, Ecology and Development
- Kathrin Schroeder, Misereor
- Soumya Dutta, Beyond Copenhagen

**For more information or interviews with the speakers, please contact:**

Giulia Bondi

Climate Justice and Energy Officer
