COP28 TOOLS OF THE TRADE

TOOLS OF THE TRADE

Media and Broadcast

Media and Broadcast	
Broadcast Equipment	<p>a) Cameras: ENG cameras, studio cameras, robotic, compact, etc...</p>   <p>b) Camera accessories: lenses, boxes, tripods, tripods with wheels, batteries, chargers, etc...</p> 

c) Monitors: LCD, portables, etc...

d) Terminal gear: control panels, converters, switchers, EVS and HD terminals, servers, recorders, mobile recorders, cards, etc...

e) Other; mobile vision and audio desk, video and audio distribution rack, fly away kit cases, mobile up link

<p>Audio equipment</p>	<p>a) Microphones</p>  <p>b) transmitters, intercom panels</p>  <p>c) Walkie talkies</p> 
------------------------	---

d) Dictaphones

e) amplifiers, speakers

f) headsets, surveillance kits, audio receivers, etc...

Broadcast and Photography Lighting Kits

Assortment of tie-downs for cameras and scaffolding

Photographic 'grip' for remote camera installations: Magic arms, G-clamps, super clamps, scaffold clamps, ground camera mounting platforms.

Cabling equipment and tools

a) cables, connectors, cable spools

b) wire cutters, wire strippers, pliers, crimp tools for coax cables

c) fibre cleaning kit, fibre power meter

d) cable hooks, yellow jackets, plastic sleeving, cable protectors

e) gaffer tape, metal stakes & warning flags, rope

f) basic voltmeter

g) bottles of Freon (for triax cleaning)

Photographic Equipment

- a) Cameras: Digital SLR, 35mm SLR, large format, medium format, panoramic, compact, GoPro and 360 degree cameras.

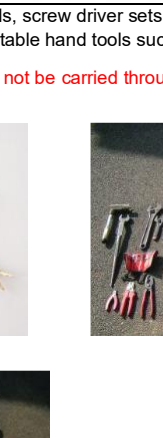

- b) Camera accessories: lenses, lens hoods, cases, bags, camera and lens rain covers, monopods, rechargeable and non-rechargeable batteries (NiCad, NI-MH and Alkaline), chargers, memory cards, cables etc...

	<p>c) Robotic camera head and mounting accessories.</p> <p>d) Radio control camera triggers (e.g. Pocket Wizard).</p>
<p>Computer equipment</p>	<p>a) Laptops, Net books, iPads, smart phones chargers, card readers.</p>

	<p>b) Mi-Fi devices and other 4G/5G hubs/dongles</p>  <p>c) network testers, network termination equipment, power blocks,</p> 
<p>Photographic diagnostic & repair equipment</p>	<p>a) oscilloscope, fine craft knives, tweezers, soldering irons and solder, heat gun, cleaning solvents such as Isopropyl (maybe in glass bottles)</p> <p>* Knives or similar objects may not be carried throughout the venue when the event is up and running</p> 

	
<p>General Tools</p>	<p>a) Leatherman and other multitools, screw driver sets, hammers, nails, battery and mains powered drills with drill bit, other standard portable hand tools such as saws, ladders</p> <p>* Knives or similar objects may not be carried throughout the venue when the event is up and running</p>    <p>b) Tarps, canvas and plastic,</p> 

c) Door mats

d) Flashlights

e) small butane and propane soldering, butane refills /canisters (no larger than 100ml each)

f) Variety of batteries: 9V, AAs, battery belts

g) Paint, paint thinner, spray paint and other solvents

	<p>h) Cases, cases with wheels and trolleys</p> 
<p>General Office Supplies</p>	<p>a) First aid kit b) Make-up kit, hairspray, hair gel, aerosol, nail varnish, solvents c) Scissors</p>
<p>Rigging equipment</p>	<p>d) Safety harness e) Climbing ropes f) Helmets g) Rope grabs h) Rope protectors i) Rail locks etc.</p>
