**MESSAGE FROM THE CO-FACILITATORS OF  
THE TECHNICAL DIALOGUE OF THE FIRST GLOBAL STOCKTAKE**

**Call for poster inputs**

I am pleased to convey a message from the co-facilitators of the technical dialogue of the first global stocktake, Harald Winkler and Farhan Akhtar, inviting Parties and non-Party stakeholders to summarize their submission on the third meeting of the technical dialogue of the first global stocktake in a one-page poster.

The message is contained in the annex.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Cecilia'.

Cecilia Kinuthia-Njenga  
Director

Intergovernmental Support and Collective Progress

**Distribution:** To Parties and observer States through their national focal points for climate change and diplomatic missions accredited to the Federal Republic of Germany, as well as to United Nations organizations, admitted observer organizations and other non-Party stakeholders.

Annex

Dear colleagues

Following on from the success of the poster session at COP 27, we, the co-facilitators of the technical dialogue of the first global stocktake, wish to invite Parties to the Paris Agreement and non-Party stakeholders who have submitted or plan to submit inputs to the third meeting of the technical dialogue, to be held in conjunction with the fifty-eighth sessions of the subsidiary bodies in Bonn, to submit a one-page poster, summarizing their inputs, which will be displayed at those sessions. Those who submitted a poster for display at the COP 27 poster session are invited to re-submit it if they would like their poster to be included in this round.

This call for posters is separate from the call for submissions on the technical dialogue of the first global stocktake.

We urge Parties and non-Party stakeholders submitting inputs and/or posters to focus them on the scope of the global stocktake, as outlined in decision 19/CMA.1, paragraphs 2 and 6(b), and take into consideration the guiding questions for the [information collection and preparation](#) and the [technical assessment](#) components of the global stocktake.

Examples from the previous poster session can be found [here](#). Further information on the poster session, related requirements, including the form and licensing agreement, and submission details can be found [here](#).

The deadline for submitting posters is **Monday, 22 May 2023**.

We look forward to receiving inputs and thank Parties and non-Party stakeholders for their continued participation in the first global stocktake and technical dialogue of the Paris Agreement.

Yours sincerely,

*(Signed by)*

Harald Winkler
