The NAP Formulation Process _Uganda Strengthening Adaptation Planning in Uganda (SAP)”

Semambo Muhammad

June 4th, 2025

INTRODUCTION TO NAP PROCESS IN UGANDA

- ❑ **Strengthening Adaptation Planning in Uganda (SAP)**” was approved by GCF on 30 June 2021 (Grant Effectiveness Date) with a total
- ❑ **Budget of USD \$ 2.9 Million.**
- ❑ **Duration: 3.5 Years**

Two Main Objectives of the NAP

1. Reducing vulnerability to the impacts of climate change, by building adaptive capacity and resilience;
2. Facilitate the integration of climate change adaptation, in a coherent manner, into relevant new and existing government plans, policies, and programs, in particular development planning processes and strategies within all relevant sectors and at different levels, as appropriate.

The 4 Outcomes

- ❑ Outcome 1: Adaptation planning governance and coordination strengthened
- ❑ Outcome 2: Strengthened capacity for NAP planning and for future NAP processes.
- ❑ Outcome 3: Finance for adaptation secured
- ❑ Outcome 4: Lessons learned from NAP process disseminated
- ❑ The NAP process is inclusive and takes a whole of government and society approach

QUESTIONS ON NAP FORULATION PROCESS IN UGANDA

What steps is your country undertaking to meet the 2025 NAP deadline?

- a) Uganda has recruited NAP Project team to fast track the NAP process.
- b) The Country Launched the NAP to enhance stakeholder awareness about the NAP process.
- c) Fast tracking analytical assessments
- d) Multiple stakeholders consultations

Is the support from international agencies sufficient?

- a) Funding is not sufficient. Some NAP activities do not have financial budgets for example the stakeholders engagement forums. This later puts a strain on the available funding.
- b) Access technical assistance - missing contacts

What further technical or financial assistance is needed?

- a) -Funding to widen stakeholders consultation in the NAP process and coverage of local government.
- b) -Assessment in new emerging areas such as **Climate Analysis using SSP, Climate Change Mobility and refugees.**
- c) Understanding New guidelines by LEG
