

# Workplan of the Adaptation Committee Taskforce on National Adaptation Plans 2019-2021

Version 8 April 2019

<i>Activities</i>			<i>Lead</i>	<i>Collaboration</i>	<i>Specific contributions and inputs of the NAP TF</i>
<i>2019</i>	<i>2020</i>	<i>2021</i>			
<b>Promoting overarching coherence</b>					
<b>To promote the implementation of enhanced action on adaptation in a coherent manner under the Convention</b>					
Continue to participate in the Advisory Board of the NAP GSP for developing countries			NAP TF	AC, UNDP, UNEP, NAP-GSP, and others.	
Collaborate with the LEG and the Executive Committee of the Warsaw International Mechanism for Loss and Damage, to determine next steps in responding to the COP 24 mandate to assist developing country Parties in integrating approaches to avert, minimize and address displacement related to the adverse impacts of climate change into relevant national planning processes, including the process to formulate and implement national adaptation plans, as appropriate;			NAP TF	AC, LEG and ExCom	

<i>Activities</i>			<i>Lead</i>	<i>Collaboration</i>	<i>Specific contributions and inputs of the NAP TF</i>
<i>2019</i>	<i>2020</i>	<i>2021</i>			

**To incorporate gender as a cross-cutting consideration into all AC activities**

Prepare suggestions on how to mainstream gender considerations in the NAP process (outputs will contribute to the concept note and the AC activity on enhancing consideration of gender in adaptation action to be finalized before AC 16 in September)	Develop a 1-2 pager on lessons learned and best practices in prioritizing/incorporating gender in the NAP process.	Contribute to the AC's evaluation of progress in incorporating gender considerations into adaptation action and the AC workplan activities	NAP TF with AC	Gender constituency, LEG, NWP, NAP GN and others	
---	--	--	----------------	--	--

**Workstream A. Providing technical support and guidance to Parties on adaptation action**

**To provide guidance to Parties on planning and implementing adaptation action**

Consider and propose concrete actions according to the gaps and needs identified through relevant work of the Adaptation Committee and the LEG.	Contribute to the AC's technical paper on connecting short-, medium- and long-term adaptation planning at the national and subnational level, including data, financial flows and others by organizing a panel/session on the topic at the 2020 NAP Expo		NAP TF	AC, LEG, NWP and others	
---	--	--	--------	-------------------------	--

<i>Activities</i>			<i>Lead</i>	<i>Collaboration</i>	<i>Specific contributions and inputs of the NAP TF</i>
<i>2019</i>	<i>2020</i>	<i>2021</i>			
<b>To share experience and lessons learned from developing and implementing monitoring and evaluation systems</b>					
	Provide country examples of M&E systems developed as part of the NAP process for the AC's 2020 event for sharing existing knowledge on and tools for M&E		Contribute to the AC's technical paper on useful information and methodologies for assessing progress in enhancing adaptive capacity, strengthening resilience and reducing vulnerability to climate change by introducing specific examples of M&E of NAPs in different regions <sup>B</sup>	NAP TF	AC, NWP
<b>To enhance the provision of technical support to developing country Parties for adaptation action in a coherent manner</b>					
	Highlight approaches, tools and methodologies used in the NAP process to address adaptation needs as an input to the AC's inventory which is to be finalized in June 2020.			NAP TF	AC, NWP

<i>Activities</i>			<i>Lead</i>	<i>Collaboration</i>	<i>Specific contributions and inputs of the NAP TF</i>
<i>2019</i>	<i>2020</i>	<i>2021</i>			
<b>Workstream B. Providing technical support and guidance to Parties on means of implementation</b>					
<b>To provide guidance with a view to enhancing the provision of financial support for adaptation action, including for the process to formulate and implement NAPs</b>					
	Gather information for updating the 2015 AC thematic report based on: <ol style="list-style-type: none"> <li>a. Contact the SCF, PCCB, TEC and CTCN in order to explore current adaptation support landscape;</li> <li>b. Make use of 2019 TEP-A outcomes on adaptation finance included in the technical paper.</li> <li>c. Engage with private sector activities and lessons learned applicable to NAP support, incl. findings from the 2019 Adaptation Forum “Private sector engagement in NAPs”</li> </ol>	Contribute to the update of the 2015 thematic report on navigating the landscape of support for the process to formulate and implement NAPs, and other adaptation planning processes, based on the information gathered in 2020.	NAP TF and AC members designated to PCCB, CTCN...	AC, SCF, PCCB, TEC, CTCN	
<b>To strengthen engagement with the GCF and other financing institutions under the Convention in order to more effectively support the implementation of adaptation action, plans and strategies.</b>					

			<i>Lead</i>	<i>Collaboration</i>	<i>Specific contributions and inputs of the NAP TF</i>
<i>Activities</i>					
<i>2019</i>	<i>2020</i>	<i>2021</i>			
Making use of information provided by the GCF to the COP on on financial flows related to NAPs formulation and implementation, as well as previous activities and papers of the AC on this matter, identify next steps as appropriate					
<b>To strengthen engagement with the private sector on mobilizing financial resources for adaptation action</b>					
	Toolkit for attracting private sector involvement in the NAP process (e.g. to highlight the benefits of engaging, including access to TA, tools, data, knowledge on building climate resilience throughout their operations; enhancing their social responsibility reputation to increase their brand value)	Organize an event at the NAP Expo based on the best practices, lessons learned, challenges and opportunities related to engaging the private sector in the NAP process.	NAP TF with AC	NAP GN, WBCSD	
<b>To provide guidance with a view to enhancing the provision of technological support for adaptation action</b>					
				[Contribute to AC technical paper on TBD adaptation priority topic]	
<b>To provide guidance with a view to enhancing capacity-building for adaptation action</b>					

		<i>Activities</i>	<i>Lead</i>	<i>Collaboration</i>	<i>Specific contributions and inputs of the NAP TF</i>
<i>2019</i>	<i>2020</i>	<i>2021</i>			
Make suggestions of question/s for the call of submissions on capacity gaps in accessing adaptation funding, focusing on NAPs. Include relevant information thereon in the AC's annual report for 2019	Provide input to the AC's information document on Parties' capacity gaps in accessing adaptation funding and on their successes and challenges in building in-country capacity.				
<b>Workstream C: Awareness-raising, outreach and sharing of information</b>					
<b>To promote exchange of information, particularly in relation to the most vulnerable people, sectors and regions, and strengthen interaction between Parties and stakeholders at all levels by organizing focused events</b>					
Compile good practices and experiences of NAP processes to improve domestic awareness-raising, communication and outreach efforts related to the NAP process.	Present on the margins of the NAP Expo the outcomes of the compilation.
