

## **Update on Support to LDCs**

**NAP Global Support Programmes  
(UNDP/UN Environment) &  
NAP Ag Programme (UNDP/FAO)**

**&  
Status of GEF/LDCF and GCF funded  
NAP project proposals supported by UNDP**

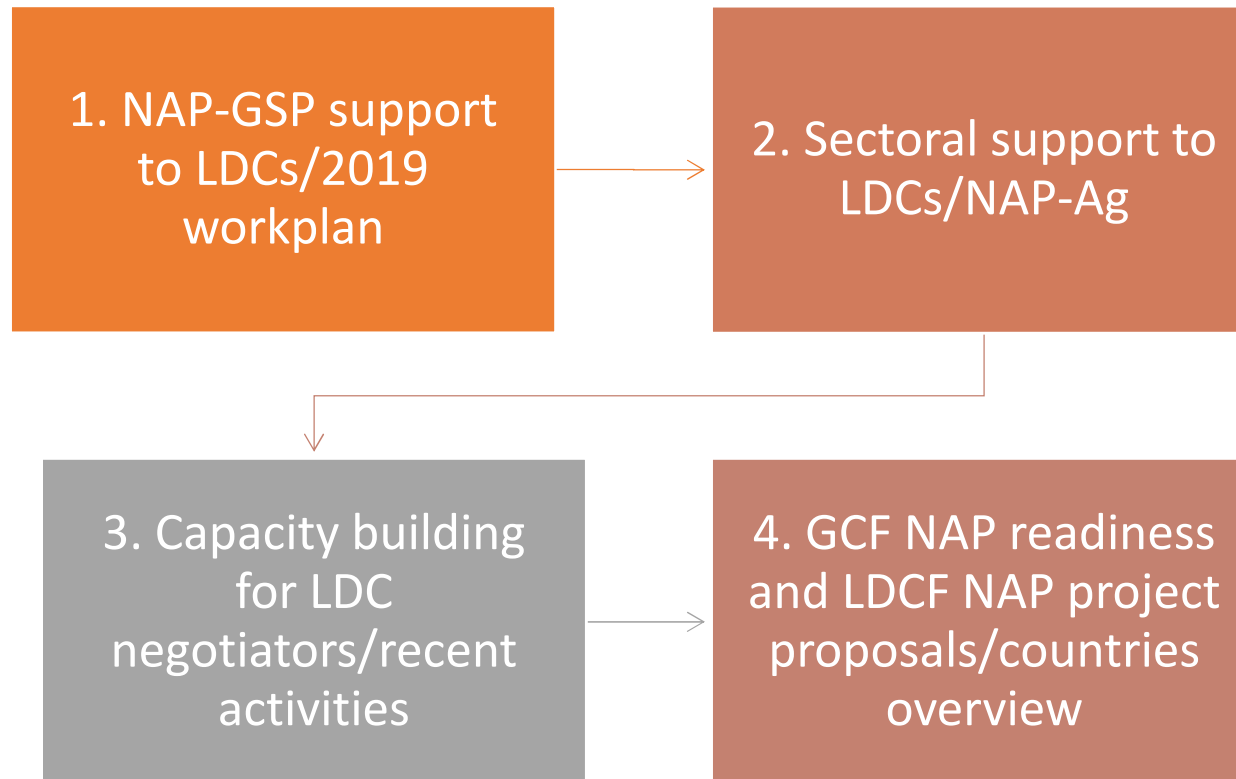

**LEG side event**

18 June 2019, Bonn Climate Change Conference

# Overview

---

1. Overview of NAP-GSP recent support to LDCs and 2019 upcoming activities

## GEF Funded UNDP/UN Environment NAP-GSP

2013-2015

NAP-GSP Support for LDCs (I)  
USD 2 million from the LDCF  
Supporting LDCs based on request

2015-2018

NAP-GSP for non-LDCs  
USD 4.5 million from SCCF  
Programme expanded to assist non-LDCs with  
NAP processes

2016-2019

NAP-GSP for LDCs (II)  
USD 6 million from LDCF  
To expand support towards building capacity of  
LDCs

2019-2020

Deadline extended for the NAP-GSP for LDCs (II)

## One-on-One Support

### 27 LDCs have received in-country support

**Customized country-by-country support** provided for foundational work, including:

- In-country mission to support trainings, workshops and launching the NAP process
- Stocktaking of available capacities, policies, strategies and plans
- Institutional support (e.g. NAP consultations)
- Thematic or cross sectoral training
- Support to develop NAP roadmaps, workplans and priority activities
- Training at country level (interactive modules developed by UNDP, UNEP, UNITAR and GIZ)
- Identification of adaptation planning priorities and support to proposal development

*Extended until June 2020*

## Recent training workshops

---

- Regional Training Workshop for the Pacific on '**Appraisal and Prioritisation Tools for Adaptation options**' - Nadi, Fiji, 28-31 May 2018
- Regional Training Workshop for Africa on '**Adaptation Financing**' - Anglophone countries - in Kigali, Rwanda, 25-28 Sep 2018
- Regional Training Workshop for Latin America on **Innovation in Adaptation** - Panama City, Panama, 24-26 Oct 2018
- Inter-Regional Training Workshop for Asia and Africa – Manila, Philippines, 15-16 Oct 2018

# Knowledge management

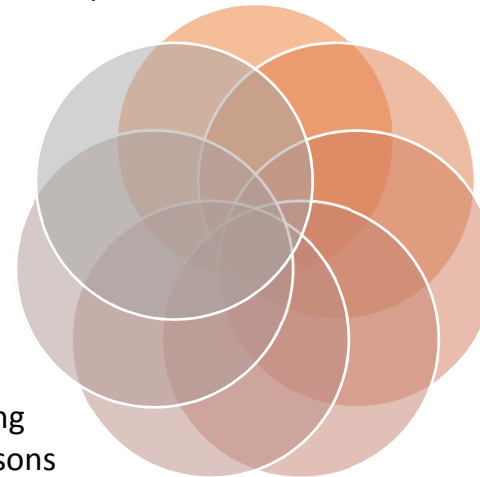

since September 2018...

Participated in NAP GN  
**Peer Learning Summit** on  
the role of the NAP process  
in advancing the PA  
Adaptation Goals/*Oct. 2018*

Participated in NAP GN  
**Regional NDC Dialogue** for Asia  
and Arab States /*Oct. 2018*

Published 'NAP in  
**focus**' Country  
briefings  
for 8 LDCs

Organized a **side event**  
**at COP 24** on scaling up  
adaptation (promoting  
synergies between NAPs  
and NDCs) / *Dec. 2018*

Started developing  
**case studies** on lessons  
learned from  
the **private sector**

Organized several **events**  
**during the 6th APAN** to  
foster South-South Asia-  
Africa knowledge  
exchange, including one  
event organized with GIZ  
/ *Oct. 2018*

### NAP-GSP web portal:

- \* 22 LDCs in country sections
- \* 25 new items and features for LDCs
- \* 22 blogs

Visit: <http://globalsupportprogramme.org/>

## 2019 Upcoming activities

---

- **Support to additional 3 LDCs with one on one support,** upon request (until March 2020)
- **Two regional training workshops for Africa.** One for Francophone countries and the other one for Anglophone countries (date and location tbc)
- **Documentation** of country NAP profiles and thematic case studies from LDCs
- **South-south exchange** of best practices enhanced through the conduct of 3 webinars

## 2. Overview of sectoral support to LDCs through the NAP-Ag programme

Food and Agriculture Organization of the United Nations

Supported by:

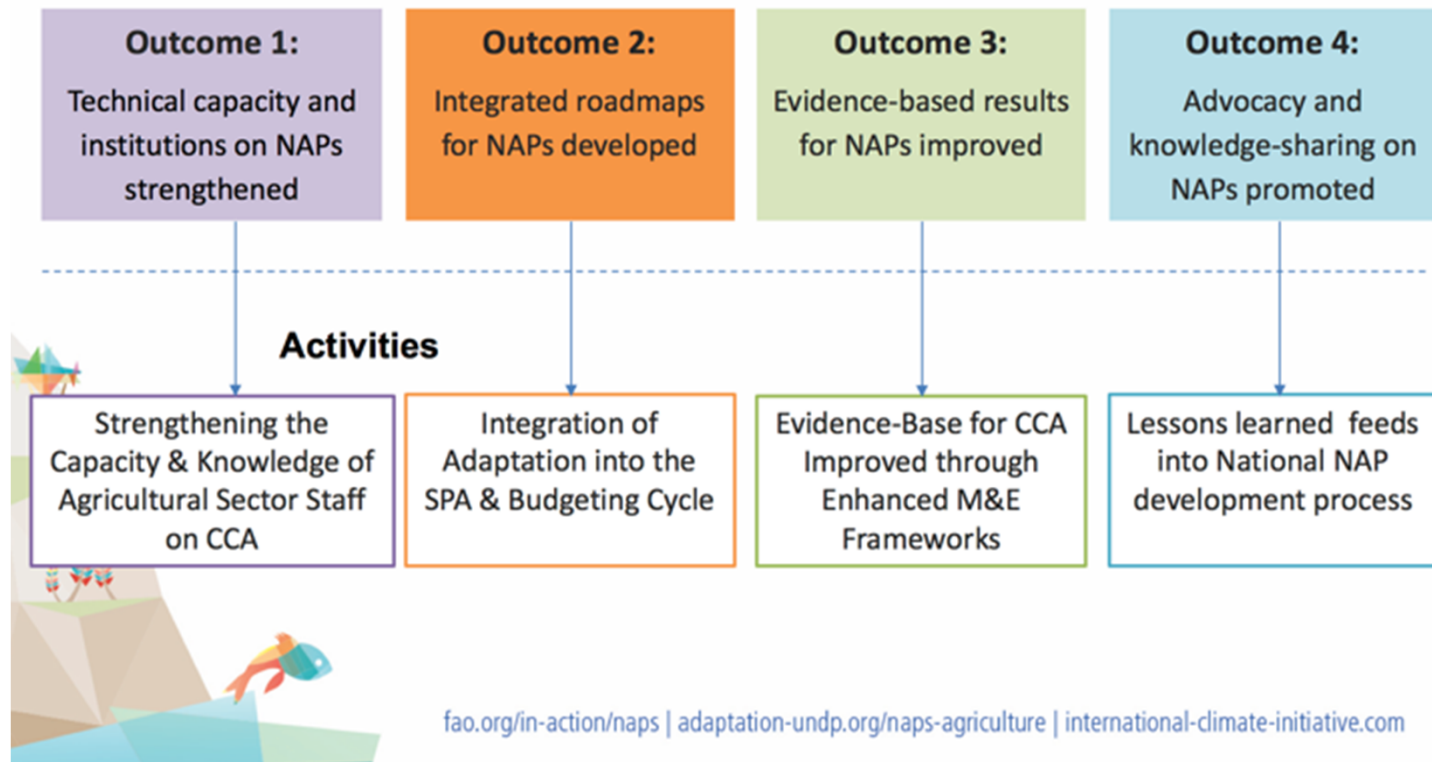

based on a decision of the German Bundestag

# Integrating Agriculture into NAP

## NAP-Ag Programme Outcomes

### Global Level

LDCs covered:  
Nepal  
Gambia  
Uganda  
Zambia

Food and Agriculture  
Organization of the  
United Nations

Supported by:

Federal Ministry  
for the Environment, Nature Conservation,  
Building and Nuclear Safety

based on a decision of the German Bundestag

# Programme Highlights

---

1. **Advanced the development of climate change adaptation planning strategies and frameworks** in the agriculture sectors in Kenya, Philippines, Thailand, **Gambia** and **Uganda**
2. **Enhanced capacities of agriculture sector's decision-makers to appraise adaptation options**, using cost-benefit analysis and impact evaluation, as a means to advance the NAP processes in **Uganda**, Uruguay, **Gambia** and **Zambia**
3. **Initiated the leveraging of climate finance for the implementation of climate change adaptation strategies and frameworks** in the agriculture sectors in **Nepal**, Thailand and Viet Nam
4. **Boosted capacity for gender mainstreaming through:** technical training; incorporation of sex-disaggregated data and gender analysis into cost-benefit analyses and impact evaluations; and development of a tool to increase women's incomes in the agriculture sector's value chains
5. **Catalysed global attention to the integration of agriculture into NAPs through engagement of NAP-Ag country representatives** in: Least Developed Country Expert Group (LEG) training workshops and meetings; side events at COP 21 and COP 22; Adaptation Committee meetings; and NAP Expos
6. Launched the **Agriculture Supplement to the LEG Guidelines**

Food and Agriculture  
Organization of the  
United Nations

Supported by:

Federal Ministry  
for the Environment, Nature Conservation,  
Building and Nuclear Safety

based on a decision of the German Bundestag

## Latest publications

- **Gender training guide on adaptation planning in the agriculture sectors** soft-launched at this Climate Conference and full launch in July
- **M&E package** - soft-launched at the NDC Global Conference, Berlin 12-14 June 2019. Full launch later this year

3. Recent activities under the  
GEF funded UNDP-UN  
Environment Global  
Programme on capacity-  
building for LDCs negotiators

## Capacity-building for LDCs negotiators

---

- May 2019, support to a strategy meeting under the Chairmanship of Bhutan
- Assisted the LDC Group in upgrading and relaunching its website. Available at: [www ldc-climate.org/](http://www ldc-climate.org/)

4. Overview of countries  
advancing towards formulation  
of NAPs with  
GCF readiness and  
GEF/LDCCF support

GREEN  
CLIMATE  
FUND

# GCF NAP readiness proposals
