SBSTA 60 agenda item 5(c)

Matters relating to adaptation

Nairobi work programme on impacts, vulnerability and adaptation to climate change

Version 11/6/2024 19:45

1. The Subsidiary Body for Scientific and Technological Advice (SBSTA) noted the reports prepared for this session on progress in implementing activities under the Nairobi work programme on impacts, vulnerability and adaptation to climate change (NWP)¹ and on activities under the NWP, by region, between 2019 and 2023,² and also noted the information therein, including on next steps and new activities under the NWP, as well as the indicative NWP workplan for 2024–2025.³
 2. The SBSTA welcomed the engagement of NWP thematic expert groups and partners in the 16th NWP Focal Point Forum, on understanding and closing adaptation knowledge gaps in relation to mountains, high-latitude areas and the cryosphere,⁴ held at the twenty-eighth session of the Conference of the Parties; the work under the NWP to date in its thematic areas; the efforts of the secretariat to establish linkages between work under the NWP and that under other United Nations conventions and bodies; and the progress in enhancing the dissemination of knowledge products developed under the NWP.
 3. The SBSTA requested the secretariat to continue implementing the mandates related to the NWP contained in documents FCCC/SBSTA/2018/4, FCCC/SBSTA/2022/6 and FCCC/SBSTA/2023/4.
 4. The SBSTA invited Parties, NWP partner organizations and other relevant organizations to provide financial and in-kind support, as appropriate, for the implementation of activities under the NWP.
 5. The SBSTA took note of the estimated budgetary implications of the activities to be undertaken by the secretariat referred to in paragraph 1 above.
 6. The SBSTA requested that the actions of the secretariat called for in these conclusions be undertaken subject to the availability of financial resources.
