

2023 SCF Forum: Financing Just Transitions

Information about the resource person

Niclas Hällström was one of the authors of the recent report *Just Transition: A Climate, Energy and Development Vision for Africa* (www.justtransitionafrica.org). He has worked extensively with African and LDC colleagues on promoting renewable energy and transformative solutions to climate change, including as a member of the independent expert group that developed and catalysed the Africa Renewable Energy Initiative (AREI) and the Least Developed Countries Renewable Energy and Energy Efficiency Initiative for Sustainable Development (LDC-REEEI).

Niclas is Director of WhatNext?, founder and senior affiliate of the Centre for Environment and Development Studies at Uppsala University, and former Associate Director of the Dag Hammarskjöld Foundation.

Niclas has academic degrees in resource ecology and policy from Uppsala University and University of Michigan.
