NOTIFICATION

Workshop under the UAE–Belém work programme on indicators

03–04 October 2025, Bonn, Germany

Following guidance from the Chairs of the Subsidiary Bodies, the mandated workshop under the UAE–Belém work programme on indicators, previously scheduled to take place on 20 to 21 October, will now take place on **3 to 4 October 2025**. The location remains Bonn, Germany.

Participation of admitted NGOs will be limited to representatives nominated by NGO Constituency Focal Points (CFPs). Nominated representatives must register for the dialogue using the online registration form, which will be communicated to the nominated participants. Kindly note that, owing to the limited capacity of the venue, only two representatives per constituency will be permitted to participate in person. The CFPs are invited to nominate their participant and submit their nomination via cool@unfccc.int and gga@unfccc.int no later than **Friday, 05 September 2025**.

Additional observers may be nominated to participate virtually. For those who wish to follow the workshop without active participation, it will also be broadcast live on YouTube.

In view of the need to confirm arrangements for the meeting as early as possible, registrations received after the above-mentioned deadlines may not be processed.

Further details on the workshop, including the provisional agenda, will soon be made available on the [UNFCCC website](https://unfccc.int). For more information about the programme or other matters relating to the workshop, please contact gga@unfccc.int.

We look forward to hearing from you and welcoming your nominated participant(s) to the workshop.

Yours sincerely,
