**High-level ministerial dialogue on the urgent need to scale up adaptation finance**

CMA 5 decided to convene a high-level ministerial dialogue at its sixth session on the urgent need to scale up adaptation finance, taking into account the adaptation-related outcomes of the global stocktake, and to ensure the mobilization by developed country Parties of the adaptation support pledged.

Both events will have a webcast. Kindly note that, owing to the limited capacity of the venue, **two representatives per constituency** at the head of organization level, will be permitted to participate in person. Constituency focal points are requested to submit their nomination list no later than **Monday, 11 November 2024** via [cool@unfccc.int](mailto:cool@unfccc.int).

The provisional programmes and additional information on the dialogues will be announced in due course on the [Long-Term Finance](#) and [HLMD on adaptation finance](#) event webpages, respectively. For any inquiries on the events, please contact the secretariat at [climatefinance@unfccc.int](mailto:climatefinance@unfccc.int).

The secretariat and the COP 29 Presidency look forward to your participation in these events.

Yours sincerely,
