NOTIFICATION TO CONSTITUENCIES OF ADMITTED NON-GOVERNMENTAL ORGANIZATIONS

Fortieth meeting of the Standing Committee on Finance 19 to 20 June 2026 Bonn, Germany

I am pleased to notify constituencies of admitted non-governmental organizations (NGOs) that the fortieth meeting of the Standing Committee on Finance (SCF 40) will take place from **19 to 20 June 2026**, in Bonn, Germany.

The provisional agenda for SCF 40, the webcast link and any additional documents will be uploaded to the [SCF webpage](#) prior to the meeting.

Observer nominations should be communicated to the secretariat by constituency focal points. Representatives of admitted NGOs nominated by constituency focal points must register using the online registration form, which will be communicated to the nominated participants. Kindly note that, owing to the limited capacity of the venue, **only two representatives per constituency** will be permitted to participate in person. Constituency focal points are requested to submit their nomination list no later than **Friday, 5 June 2026**, via cool@unfccc.int.

Additional observers may participate virtually. The deadline for registration for virtual participation through the constituency focal points is **Friday, 12 June 2026**.

Further details relevant to both in-person and virtual participation in the meeting will be communicated directly to the registered participants. In view of the need to confirm arrangements for the meeting as early as possible, registrations received after the above-mentioned deadlines may not be processed. The meeting will also be broadcast live for those who cannot be nominated for either one of the two modalities above, so that they can follow the meeting. The webcast link will be made available on the SCF webpage.

Distribution: To constituency focal points of non-governmental organizations admitted as observers by the Conference of the Parties.

In accordance with decision [23/CP.18](#) and intending to inform more effective climate change policy that addresses the need to promote gender balance, observers are encouraged to nominate women as participants.
