NOTIFICATION

11th meeting of the Facilitative Working Group of the Local Communities and Indigenous Peoples Platform

I am pleased to notify constituencies of admitted non-governmental organizations (NGOs) to the Convention, the Kyoto Protocol, and the Paris Agreement that the 11th meeting of the Facilitative Working Group (FWG) of the Local Communities and Indigenous Peoples Platform (LCIPP) will take place in Bonn, Germany, from **29 May to 1 June 2024**. The meeting will be open to Parties and observers under the Convention in accordance with paragraph 29 of decision 2/CP.24.

Interested representatives, nominated by constituency focal points, must register using the online registration form, which will be communicated to the nominated participants. Constituency focal points are requested to submit their nomination list by COB on **Friday, 19 April 2024**, via cool@unfccc.int. Given the need to coordinate logistical arrangements, registrations received after this deadline may not be processed. In addition, I kindly ask you to ensure the participation of everyone who will register. This will allow us to optimize resources and provide space for the meaningful engagement of Indigenous Peoples and local communities in the UNFCCC process.

Further details on the meeting will be made available [here](#) in due course.

Yours sincerely,
