NOTIFICATION

The 3rd meeting of the transitional committee on the operationalization of the new funding arrangements for responding to loss and damage and the fund established in paragraph 3 of decisions 2/CP.27 and 2/CMA.4

**29 August to 1 September 2023
Santo Domingo, Dominican Republic**

I am pleased to notify constituencies of non-governmental organizations (NGOs) admitted as observers by the Conference of the Parties that the **3rd meeting of the transitional committee on the operationalization of the new funding arrangements for responding to loss and damage and the fund established in paragraph 3 of decisions 2/CP.27 and 2/CMA.4** will take place from 29 August to 1 September 2023 in Santo Domingo, Dominican Republic, at the El Embajador, a Royal Hideaway Hotel.

In order to maximize progress during the meeting, it will include both open and closed components. These will be indicated in the provisional schedule, but revised as needed throughout the meeting. It is likely that the components of the meeting that are open to Party and non-party observers will be kept to a minimum in order to maximize time for Transitional Committee deliberations at the meeting. Observers are encouraged to consider following the open components of the meeting virtually via the webcast. An overflow room will be made available for all in-person observers.

Interested non-governmental organizations (NGOs) are requested to register for in-person attendance of the meeting via cool@unfccc.int by **Monday, 21 August 2023**. The secretariat may not be able to process registrations received after that deadline.

The link for the webcast and further details regarding the meeting will be made available at <https://unfccc.int/event/tc3> in due course.

Yours sincerely,

Youssef Nassef

Director

Adaptation division

Distribution: To constituency focal points of non-governmental organizations admitted as observers by the Conference of the Parties.
