NOTIFICATION

First workshop on addressing loss and damage in the context of decisions 2/CP.27 and 2/CMA.4

29 to 30 April 2023
Bonn, Germany

I am pleased to notify constituencies of non-governmental organizations (NGOs) admitted as observers by the Conference of the Parties that the first workshop on addressing loss and damage in the context of decisions 2/CP.27 and 2/CMA.4 will take place from 29 to 30 April 2023 in Bonn, Germany.

The workshop, which will be held in hybrid mode, will be open to attendance by observer organizations.

Kindly note that, owing to the limited capacity of the venue, only **three representatives per constituency** will be permitted to participate in person.

Representatives of admitted NGOs nominated by constituency focal points must register for the workshop using the observer registration form for NGOs, which has been sent to constituency focal points. Registration forms should be sent to cool@unfccc.int, copying TCsec@unfccc.int.

The deadline for registration to this workshop is Friday, 21 April 2023. The secretariat may not be able to process observer registrations received after this deadline.

Further details regarding the meeting will be made available on the [UNFCCC website](https://unfccc.int) once they become available.

Yours sincerely,
