# GRASSROOTS, MEANINGFUL MEDIA FOR A SUSTAINABLE WORLD

United Nations WEP Women Empowerment Principle Accreditation

Inclusive for all youth – Grassroots Global Autism Conference

Led by a neurodivergent founder and MTE World Bank Climate Ambassador

Collaborative Partnerships partnerships with organizations working with children and youth, to facilitate inclusion of their voices and perspectives in the implementation of the Glasgow work programme on Action for Climate Empowerment

- Carbon footprint reduction as a green digital media company
- Sustainable infrastructure
- Highlighting grassroots local to global environmental perspectives
- Eco-friendly digital platforms
- Empowering individuals to become active participants in the media landscape
- Firsthand accounts, observations & insights
- Fostering a global, inclusive media environment
