Transparency arrangements under the Paris Agreement

Article 13 of the Paris Agreement

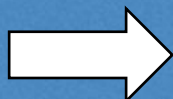

- ✓ Established the enhanced transparency framework for action and support

Decision 18/CMA.1

- ✓ MPGs - modalities, procedures and guidelines for the transparency framework for action and support
- ✓ Review of the MPGs no later than 2028

Decision 5/CMA.3

- ✓ Common tabular formats (CTFs)
- ✓ Common reporting tables (CRTs)
- ✓ Outlines BTR, NID, TER report, Trainings

Builds on MRV under Convention

Different starting points

Flexibility

Continuous improvement

Support

#Together4Transparency

Timeline for transitioning to ETF ...

Developed country Parties

- Final BRs submitted by 31 December 2022

Developing country Parties

- Final BURs submitted by 31 December 2024

ALL PARTIES

- First BTRs by, **at the latest, 31 December 2024** (*SIDS and LDCs have discretion*)
- TER (to be initiated immediately following the submission)
- FMCP (asap following the publication of the TER report)

MRV arrangements

Enhanced transparency framework

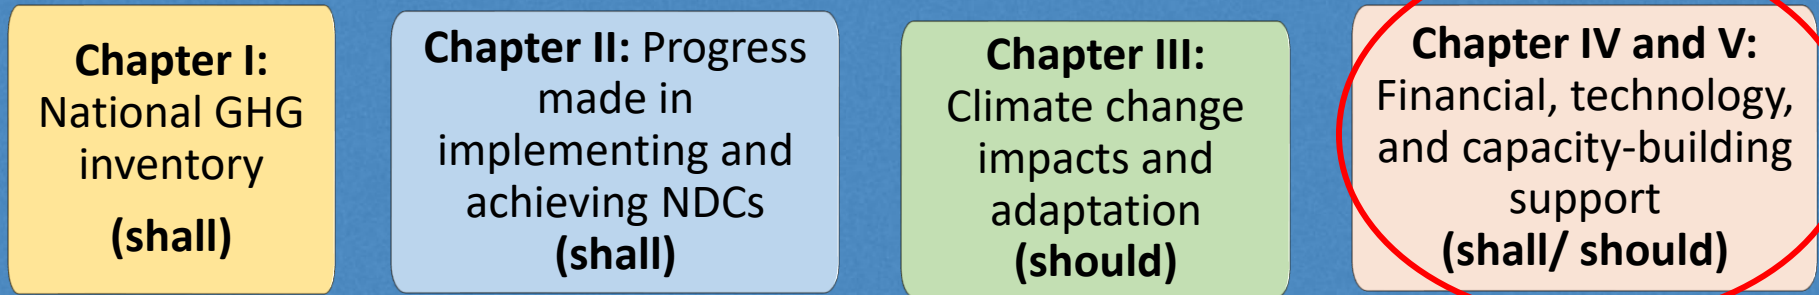

TER: technical expert review; FMCP: Facilitative, multilateral consideration of progress

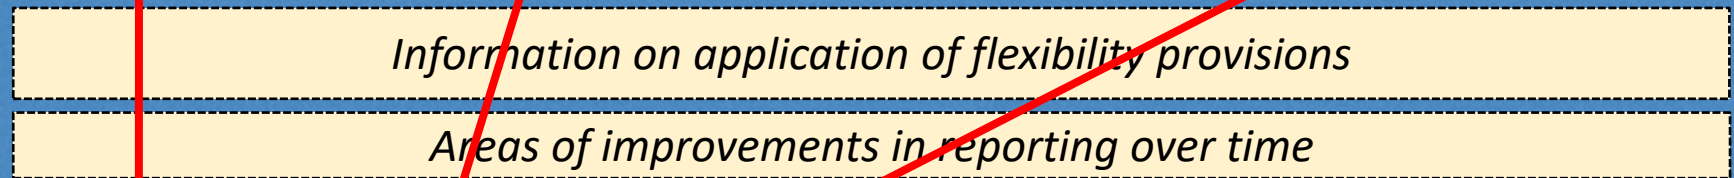

#Together4Transparency

Outline of the BTR

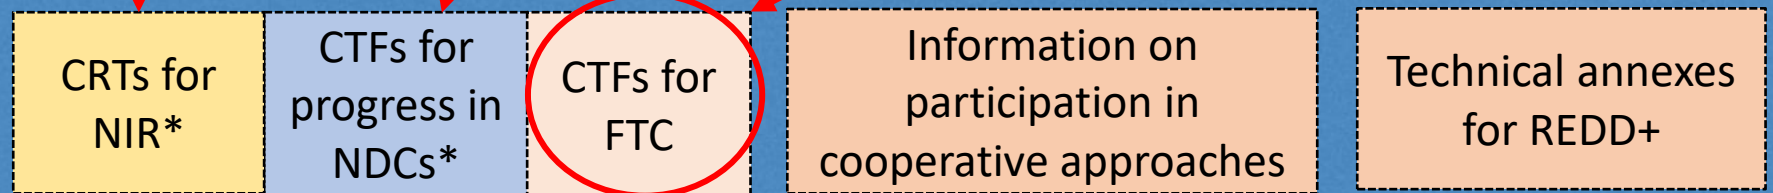

Thematic chapters

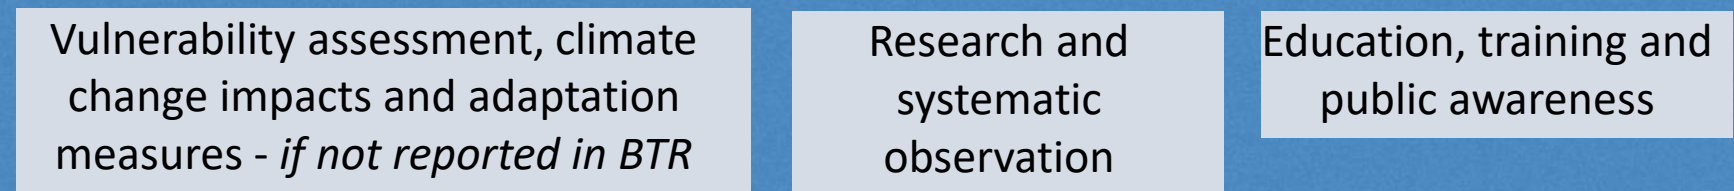

Additional areas, as applicable

Annexes, as applicable

Additional information when NCs and BTRs submitted jointly
(every 4 years)

Chapter IV: Financial, technology, and capacity-building support provided and mobilized

*Developed country Parties shall...
Other Parties that provide support should...*

- A. National circumstances, institutional arrangements and country-driven strategies
- B. Underlying assumptions, definitions and methodologies
- C. Information on financial support provided and mobilized under Article 9 of the Paris Agreement
 - 1. Bilateral, regional and other channels
 - 2. Multilateral channels
 - 3. Information on finance mobilized through public interventions
- D. Information on support for technology development and transfer provided under Article 10 of the Paris Agreement
- E. Information on capacity-building support provided under Article 11 of the Paris Agreement

Chapter V: Financial, technology, and capacity-building support needed and received

Developing country Parties should...

- A. National circumstances, institutional arrangements and country-driven strategies
- B. Underlying assumptions, definitions and methodologies
- C. Financial support needed by developing country Parties
- D. Financial support received by developing country Parties
- E. Technology development and transfer support needed by developing country Parties
- F. Technology development and transfer support received by developing country Parties
- G. Capacity-building support needed by developing country Parties
- H. Capacity-building support received by developing country Parties
- I. Support needed and received by developing country Parties for the implementation of Article 13 of the Paris Agreement and transparency-related activities

Frequency of reporting and years covered in BTRs

Information on financial support provided and mobilized (Table III.1 - Table III.3)

- Relevant information, in a tabular format, for the **previous two reporting years** without overlapping with the previous reporting periods
- Parties report in a separate table for each year, namely **20XX-3 and 20XX-2**, where **20XX** is the **reporting year**:
 - Reporting year 2024 = 2021 and 2022
 - Reporting year 2026 = 2023 and 2024
 - Reporting year 2028 = 2025 and 2026

Information on financial support needed and received (Table III.6 and Table III.7)

- ...support needed and received, to the extent possible, as available and as applicable
- Parties include information on **support needed from the reporting year of the BTR**
 - Table III.6 - “Expected time frame”
 - E.g. reporting year 2024 = 2024 onwards
- Parties include information on **support received, ongoing or planned since the previous BTR**
 - Table III.7 – “Time frame” and “Status”

Purpose of the transparency framework of support

Aggregation of data on support reported in BTRs

➤ **Decision 18/CMA.1, para 2. – purpose of the transparency framework**

In accordance with Article 13, paragraph 6, of the Paris Agreement, the purpose of the framework for transparency of support is to provide clarity on support provided and received by relevant individual Parties in the context of climate change actions under Articles 4, 7, 9, 10 and 11, and, to the extent possible, to provide a full overview of aggregate financial support provided, to inform the global stocktake under Article 14.

➤ **Mandated reports:**

- Compilation & Synthesis of BTRs (18/CMA.1, para 6(a))
- Biennial Assessment and Overview of Climate Finance Flows by the SCF on support provided, mobilized and received
- Needs Determination Report by the SCF on support needed
- ...
