SBI 57 agenda item 17(c)

Development and transfer of technologies and implementation of the Technology Mechanism First periodic assessment referred to in paragraph 69 of decision 1/CP.21

Version 7/11/2022 20:00

Draft conclusions proposed by the Chair

1. The SBI welcomed the efforts of the secretariat to prepare the final report on the first periodic assessment¹ of the effectiveness and adequacy of the support provided to the Technology Mechanism in supporting the implementation of the Paris Agreement on matters relating to technology development and transfer.²
2. The SBI noted that the outcomes of the first periodic assessment should serve as an input to the global stocktake referred to in Article 14 of the Paris Agreement and guide improved effectiveness of and enhanced support to the Technology Mechanism in supporting the implementation of the Paris Agreement.³

¹ Referred to in decision 1/CP.21, para. 69.

² FCCC/SBI/2022/13.

³ As per decision 16/CMA.1, paras. 4–5.

Draft decision -/CMA.4

First periodic assessment referred to in paragraph 69 of decision 1/CP.21

The Conference of the Parties serving as the meeting of the Parties to the Paris Agreement,

Recalling decisions 1/CP.21, 15/CMA.1, 16/CMA.1 and 17/CMA.3,

Recalling decision 15/CMA.1, paragraph 7, according to which the outcomes of and/or recommendations resulting from the first periodic assessment referred to in paragraph 69 of decision 1/CP.21 shall be considered when updating the technology framework,

Also recalling decision 16/CMA.1, paragraph 4, according to which the outcomes of the first periodic assessment referred to in paragraph 1 of that decision should serve as an input to the global stocktake referred to in Article 14 of the Paris Agreement,

1. *Acknowledges* the findings of the final report on the first periodic assessment of the effectiveness and adequacy of the support provided to the Technology Mechanism in supporting the implementation of the Paris Agreement on matters relating to technology development and transfer⁴ and *invites* the Technology Executive Committee and the Climate Technology Centre and Network to implement the recommendations therein in undertaking their workplan and programme of work respectively;
2. *Requests* the Technology Executive Committee and the Climate Technology Centre and Network to include in their joint annual report for 2023 and in subsequent reports to the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement, through the subsidiary bodies, information on actions planned and implemented in response to the recommendations contained in the final report referred to in paragraph 1 above;
3. *Welcomes* the efforts of the Technology Executive Committee and the Climate Technology Centre and Network to develop their joint work programme,⁵ which aims to enhance synergies between the Technology Executive Committee and the Climate Technology Centre and Network and strengthen the implementation of the mandates of the Technology Mechanism;
4. *Notes* that securing adequate funding for implementing the mandates of the Technology Mechanism remains challenging and *encourages* the Technology Executive Committee and the Climate Technology Centre and Network to continue their efforts to enhance resource mobilization so as to meet the costs associated with their activities for implementing their respective mandates;⁶
5. *Requests* the secretariat to consider experience in and lessons learned from undertaking the first periodic assessment in preparing for the second periodic assessment;
6. *Invites* Parties, the Technology Executive Committee, the Climate Technology Centre and Network and national designated entities to explore ways of addressing the lack of capacity and raising the profile of national designated entities, including through collaboration with the public and private sector;
7. *Also requests* the Subsidiary Body for Implementation to initiate at its sixty-fourth session (2026) the second periodic assessment of the effectiveness and adequacy of the support provided to the Technology Mechanism in supporting the implementation of the Paris Agreement on matters relating to technology development and transfer in accordance with the scope of and modalities for the periodic assessment,⁷ with a view to it being completed by the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement at its ninth session (2027).
